## Fall Action Due on Exposition Hall

Groggy Illinois legislators adjourned at dawn today—technically midnight last night—after passing many bills but failing to achieve an agreement on General Assembly and Congressional redistricting.

The reapportionment issue now will go to a commission provided for under the new Illinois Constitution, which became effective today.

Postponed until fall—but with some hope of approval by Gov. Ogilvie—was the plan for a convention hall and performing arts center in Madison-St. Clair Counties. It was amended on second reading by the House Monday afternoon to include

the cities of Springfield and Rockford for similar centers. The three areas would be entitled to sell \$10 million in revenue bonds to construct the buildings. State Sen. Sam Vadalabene of this district, sponsor, supported the amendment.

Bonding power would become available in January 1973 and would be guaranteed by the horse race wagering tax fund. An aide to the governor had sought a link to property taxes, but Vadalabene voiced hope that the legislation will pass this fall and will be signed, adding that Springfield and Rockford legislators are actively supporting the proposal.

In other actions, the legislature:

- Legalized bingo by fraternal and religious groups, with 10% gross revenue going to schools and mental health.
- Appropriated \$763,400,000 tax aid to public schools for 1971-72. The governor favored \$753 million and Infrastructure Suppl. Bill is backed \$782 million.
- Budgeted \$1,344,762,700 for highway construction.
- Appropriated \$334 million for mental health, up \$30 million.
- Provided \$188 million for construction at junior and senior colleges.

Authorized the state to pay for group life and health insurance for state employees.

Passed a bill supported by Vadalabene and Rep. Horace Calvo, (D-141 in the House yesterday) to exempt from the state income tax provision, retirement and pension funds contributed by employees prior to Aug. 1, 1969.

## Hagnauer-Churovich, Johnson-Webb Paired in New County Districts

By MARION BARTOSIAK  
Press-Record Staff Writer

The Madison County Board of Supervisors adopted a 29-district county reapportionment plan in last-minute action Wednesday afternoon at the courthouse in Edwardsville.

One representative from each district will form the new county governing body to take effect on the first Monday of May 1972, under terms of the new Illinois Constitution which became the law of the state today. Yesterday was the deadline for reapportionment.

The board had considered three plans. The final plan prepared called for nine districts with election of three representatives from each. It was given brief consideration at the meeting before Orvil Oglesby of Wood River introduced the motion to adopt the 29-district plan.

It was approved 35 to 4, with one member abstaining. The dissenting vote came from Wood River representatives.

District elections will be held in the spring, with the date yet to be set by the State Legislature which adjourned last night. It apparently will be resolved in a fall session of the General Assembly.

The board also set the per diem rate for the new board members at \$40 plus mileage, and the salary of the board chairman at \$100 a year.

The chairman will be elected by members of the board for a two-year term. He also will receive compensation as chairman of the county liquor control commission.

With the board being reduced from 49 to 29, some current members may be facing each other for election, as they reside in the same districts.

Included are Nelson Hagnauer and Dan Churovich in one district and Ford Johnson and William Webb in another in Granite City.

Districts for the Quad-City (Continued on page 2, col. 6)

Became the 35th state to ratify voting at age 18.

Approved a \$900 million airport-transit-highway bond issue, including \$15 million for Waterloo area airport acquisition.

Tightened rules on insolvent insurance firms.

Set a \$1.40 hourly minimum wage in 1972 and \$1.60 in 1973.

Passed a limited "no-fault insurance" plan.

## Levee Board 'Showdown' On Control Due Today

A showdown between two boards of trustees of the East Side Levee and Sanitary District as to which shall control the district is scheduled at the levee district offices in East St. Louis this afternoon.

A newly-elected board of five trustees—two of them from the Quad-City area of the district and three from St. Clair county—is to meet at 2 p.m. to organize and take over operations of the district.

Present members of the old four-man levee board who remain in office under rulings of the Appellate and Illinois Supreme Court have indicated they intend to remain in office, but have given no indication of action they plan to stop the new board from taking over.

Von Dee Cruse of Granite City, one of two newly elected trustees from this section of the district, told the Press-Record yesterday that "we intend to assume office and take over operations of the district. We owe that to the people who elected us. Otherwise there would have been no purpose to an election."

Elected June 22, Walter "Shang" Greshouse, also of Granite City, is the other Quad-City trustee elected in runoff balloting June 22 in a special election called by Governor Richard Ogilvie. St. Clair county trustees elected in that balloting are Romel Wilbon,

Leroy G. Roberts and Eddie Frank Ezell.

Governor Ogilvie called the election of a new levee board despite rulings by the Appellate and Supreme Courts permitting the old board members to remain in office pending outcome of their appeals of a circuit court conviction on charges of misconduct in office. Removal from the levee board trusteeship was one of the terms of sentencing on the misconduct convictions last fall.

Plans for reorganization of the new board in the levee district offices were announced amid a series of developments early this week involving members of the old board.

Morris Campbell, East St. Louis, president of the old levee board, was named in a two-count theft indictment returned by the St. Clair county grand jury, charging him with theft of district funds of more than \$150 in each count.

Involves Rental Fees—According to State's Attorney Robert Rice of St. Clair county, the case involves two payments to Campbell of \$420 each by the village of Alorton for rental of levee district equipment. Rice said records do not show the money was received by the district.

Campbell pleaded innocent to (Continued on page 2, col. 5)

Paul Kemp, manager of the A. O. Smith Corp. auto frame plant here, is being promoted and transferred to Milwaukee, Wis. It was announced today. He is Manufacturers Association president, a Chamber of Commerce vice-president and a United Plant drive co-chairman. He will be Automotive Division director of manufacturing and services, reporting to Peter Blake. Blake is being advanced from manager of operations to director of operations of the division.

New plant manager here is Paul Kelly, who has been manufacturing superintendent. Replacing Kelly as manufacturing superintendent is Grover Nickles, who has been the assistant manufacturing superintendent.

Retreat Ceremony—At 5 p.m. Wednesday, an honor guard marched to the flag for the final retreat as several retired Depot personnel and on-duty officers and soldiers, including Col. Hengel, gathered to watch the ceremony.

Andy, Sgroi, Amvets national bugler sounded the end of the Depot as the flag was fired and the flag slowly descended.

Saluting as the colors were lowered were Lt. Col. Ed Healey, retired; Clifford Elmore, former Depot warrant officer now working in security; Capt. John Paul Jones, chaplain; and (Continued on page 2, col. 8)

Seven persons were injured when an auto driven by Donna M. Chase, St. Charles, Mo., allegedly ran a red light, was struck in the right side by a car driven by Miriam Hebert, and then struck the left side of the parked auto of David B. Wolfe, 21 Bermuda Lane, 9:25 a.m. Wednesday at 23rd Street and Madison Avenue, according to police.

Mrs. Hebert and four of her eight passengers were treated at St. Elizabeth Hospital, in addition to Mrs. Chase and Krista Chase, 7. All were released.

Mrs. Hebert had neck and shoulder pains. Mrs. Shirley Evans, 31, of 2227 Miracle Ave., suffered hematomas to the right eyebrow and left hand and forearm. Dean Evans, 11, suffered abrasions and contusions of the right elbow, forearm and wrist.

Tina Evans, 7, had contusions of the nose, chest and lower left leg. Eric Wilker, 19 months, of 2313 Cardinal Ave., suffered abrasions and contusions to the neck and right eyelid. Mrs. Chase was treated for contusions to the right forearm, knee and thigh. Krista Chase had a hematoma to the forehead and a punctured left hand.

## Urban Heads Initial Board Of Community High School; 52-Acre Wilson Park Opens

Granite City's Diamond Jubilee will be observed Aug. 21-26. This is the 21st in a series of local history.

On April 17, 1920, electorates of five schools in the adjoining Granite City voted to establish a community high school.

The first high school board, elected a month later, consisted of W. C. Urban, president; R. H. Lerner, secretary; and Walter Kerch, F. W. Kottmeier and E. G. Rode.

"The first unit of the community high school was completed in September 1921; the opening enrollment was 425.

Granite City High School was converted into Central Grade School.

Other events of 1920 included adoption of civil service for police and firemen, charters of Tri-City post No. 113 of the American Legion, and enactment of an ordinance providing for an annual tax of one and one-third mills to support the library.

Prior to this time, the library had received yearly appropriations from general revenues.

West Granite Baptist Church was completed in September 1919, and Assembly of God Tabernacle in April 1920.

On Feb. 18, 1921, Protestant churches held a joint reception at the Niederrhaus Memorial Methodist Episcopal Church for "Pussyfoot Johnson, the celebrated prohibitionist. Pussyfoot gave a lecture entitled, "What I Can See Through My Glass Eye."

The First Baptist and St. Joseph's congregations began new churches in May 1921.

Immanuel Lutheran and St. Paul Lutheran churches consolidated as the Concordia Lutheran Church in September 1920.

### 50-Police, Sir Kelly Route Two from Woods

About 50 police officers converged upon a large wooded area at State Park Place Tuesday night after the Madison County sheriff's office received a report that two men had forced a girl into their car into the woods to assault her.

Sgt. Harold Graywater and Sir Kelly of the Madison police canine corps were called to the scene and officers announced over a public address system that a police dog was on hand. When the men heard the dog barking, they ran out of the woods into the hands of state troopers.

The girl was found unharmed in the area of her home. She told officers she had walked through the woods for more than an hour trying to find her way. Two men were released without charge.

#### Record Budget

The mayor's proposal, which amounted to about \$80,000, to about \$80,000, which would have provided around \$46 per month for union employees. They (union representatives) countered with a \$60 per month proposal.

"After further discussions the unions came down to around \$52 or \$53 per month," Boker added, "and we came up to the \$60 figure which the unions accepted."

Alderman Sam Whitmer asked if the budget as presented by Boker "will be the end of it."

Boker replied that possibly it would not.

Other Raises Due

"There are a few employees in different offices that have raises coming to them, and the department heads will have to bring these in during the next week so that we can include them in the budget before we finally adopt it," he said.

"This is an unrealistic budget and there isn't any way that we can raise enough money to meet it," Nunn said. He said that losses in the city's assessed valuation due to elimination of persons' property assessments will cut our revenue this year and will cut it way down again next year."

Nunn later told the Press-Record that "I want it pointed out that I voted against this budget."

The new appropriation proposal includes increases in many departments of the city government, particularly those financed out of the general fund such as the police, fire and street departments. One of the largest increases is in the street department appropriation which totals \$815,810, as compared with \$416,258 last year, an increase of approximately \$100,000.

# New Pact on Use of Facilities Of Former Monticello College

At a special meeting Monday night, the Lewis and Clark Community College Board of Trustees accepted an agreement with Monticello College for transfer of educational properties not covered in previous agreements. The junior college has taken over the Monticello College facilities in Godfrey.

Pending an appraisal to be completed next month, estimated value was placed on the items which will be transferred. Terms of the agreement transferred "certain assets of Monticello consisting of furniture and fixtures, relating to the properties heretofore sold to the Junior College Board, and equipment and other items related to an educational institution as Monticello has determined to be excess and surplus to its needs."

Items being appraised from which final selection for transfer will be made include a variety of chemistry, biology and physics laboratory equipment; classroom furnishings and seating; office furnishings; a 26-station language laboratory shops with tools and parts for maintenance; and vehicles including a 36-passenger bus, tractors, mowers, and trucks.

Also involved are a 29,000-volume library and its equipment and furnishings for Hatherly Hall's auditorium, gymnasium and swimming pool; file cabinets; carpet; air conditioners; and varied educational aids and supplies.

In exchange for these items, Lewis and Clark agreed to maintain academic records of

all Monticello students as provided by state law, and to furnish space for the newly formed Monticello College Foundation on campus.

Transcripts for Monticello graduates will be available in the office of the registrar in the same manner and cost as provided to Lewis and Clark students.

The Evergreens, former residence of the president of the college, will become the headquarters for the Monticello College Foundation effective July 1.

In other provisions of the agreement, the Monticello College Board is asking that Hatherly Hall retain its present name and that its use as a community facility be continued; and that other memorial plaques and names of the existing buildings be retained "in

such ways and by such means that are consistent with the development of the Lewis and Clark Community College."

A spokesman for the Lewis and Clark Board said, "We are pleased to formalize this agreement with the Monticello Board in transferring such a useful variety of educational property."

"In effect, we have acquired an operating educational institution without any additional outlay of funds by this district to establish a basic program."

"Arrangements we have worked out with the Monticello trustees have reflected our mutual interest in maintaining a working educational institution on this site, and have always reflected a sincere interest in preserving the historical legacy we are inheriting from Monticello."

## GC Postal Clerk Director Of Military Radio System

Walter L. Wise, 2717 Dale Ave., a postal clerk at the Granite City Post Office and an amateur radio operator and United States Air Force Military Affiliate Radio System (MARS) operator, has been appointed as Illinois State MARS Director. It was announced this week by Sidney Antin, Area MARS Director.

Wise has held amateur radio call letters for nine years and the USAF-MARS call letters for five years.

Illinois has 12 VHF nets throughout the state operating just below the two-meter and six-meter amateur bands. Illinois has 30 USAF-MARS members assigned to these VHF nets and to the various high

frequency MARS nets operating on voice, CW (morse code) and RATT (radio and teletype).

MARS is an emergency backup communications system consisting of all volunteer members recruited from the ranks of qualified amateur radio operators who agree to operate on military radio frequencies under military regulations.

In addition to serving as an emergency communications system, the Military Affiliate Radio System also is active as a reliable communications system for handling third party messages to and from the servicemen located throughout the entire world. MARS can reach the servicemen in even the most remote military base in locations where regular am-

## Services Set Today For Michael Vidan, 14

Funeral services were to be conducted at 1 p.m. today, at the Serbian Eastern Orthodox Church in St. Louis for Michael Vidan, 14, of 2644 East 27th St., who died at 6:30 p.m. Sunday, at St. John's Hospital, Springfield, Mo., of injuries suffered in an automobile accident June 15.

A lifelong resident of Granite City, he was a student at Central Junior High School and a member of the school band. He also belonged to the Serbian Eastern Orthodox Church where he served as an altar boy, and was a member of the Cahokia Mound Council, Boy Scouts of America.

He was the son of Mrs. Milva Vidan and the late Charles Vidan, brother of Walter Vidan of Granite City.

The boy's father, Charles Vidan, was killed and his mother was seriously injured in the accident. Mrs. Patricia Plicic, sister of Mrs. Vidan, reported yesterday that the Vidan auto was driven at the time of the accident by Mr. Vidan, and not by Mrs. Vidan as earlier reported.

Details are given in today's obituary column.

International law is prohibited by International law.

USAF - MARS operates 24 hours a day, seven days a week in service to the servicemen and his family at home.

Amateur radio operators interested in joining the Air Force MARS program may contact this station for the necessary applications and information.

Families of servicemen wishing to send messages to him may contact this local member station at 877-3381 or at the Granite City Post Office at 877-0700.

## Champions Open Food, Merchandise Market

Frank and Helen Champion have opened the Champion's Merchandise and Food Market at 2205 Pontoon Road. Hours are 8 a.m. to 10 p.m. daily and on Sunday from noon until 10 p.m.

The store will carry groceries, fresh produce, dairy products, convenience meats, greeting cards, party supplies and a large candle selection.

They previously operated a store at the above location, known as Maryland Bi-Rite Grocery Store until November 1970.

Since that time they have operated a Potpourri and Gift Shop in Gaslight Plaza. It will remain open. Hours there are 10 a.m. to 8:30 p.m. daily except Sundays and holidays.

Stolen Auto Recovered Madison police recovered the auto of Henry Scott, St. Louis, in the 800 block of Lee Avenue Joliet and Romeville. The owner reported it had been stolen from his home. The trunk lid of the auto had been punched out and several items taken from the trunk.

## Prison Work Release Center Is Established

The Illinois Department of Corrections and the Christian Brothers of Illinois have signed a lease effective July 1 that will enable the department to establish a joint staff training and work release center on the Lewis College campus at Lockport, near Joliet, Director Peter B. Bensinger announced yesterday.

Bensinger said the staff training center will provide modern facilities for orientation of new employees and pre-in-service training for correctional officers, teachers and other staff.

"All too often," Bensinger said, "new programs are, of necessity, initiated in antiquated facilities, and little emphasis is placed on pre- or in-service training. The new facilities at Lewis College will provide needed space for our training program and are well suited to our needs, having been constructed for teaching and training purposes."

"The college building, only three years old, will provide housing for new employees during their orientation period for work in the Joliet-Steleville Penitentiary complex."

Bensinger said the work release center presently located on the penitentiary grounds will be relocated on the campus building site. Twenty-four adult male inmates nearing parole will be assigned to the center.

The privately-operated college is located north of Joliet on Illinois Route 53, midway between Joliet and Romeville. The building leased by the Corrections Department contains 60 single rooms and was formerly used as a dormitory for the Christian Brothers' novitiate. In addition to residential rooms, the building contains a kitchen, a dining room and a lounge-recreation area.

The Department of Corrections operates five work release centers. In addition to the

Joliet facility, other centers are located at Dwight, Peoria, Carbondale and Chicago.

Bensinger said the Lewis College center will be the first formal training facility in Illinois established for Adult Division employees. The Juvenile Division staff participates in pre- and in-service training at the new View School for Boys near St. Charles.

## Deadline for Festival Party Tickets Friday

Mail orders for tickets to the Mississippi River Festival opening night party preceding the initial concert of the 1971 season must be postmarked by Friday, July 2.

Scheduled for 6:30 p.m. Saturday, July 10, on the Festival site at Southern Illinois University-Southwestern, the party will feature a circus theme with clowns, music, gymnasts, a trampoline artist, a magician, theatrical playlets and animals. A special circus dinner menu will be prepared by the SIU-SW Food Service.

Guest soloist for the 8:30 p.m. concert by the Saint Louis Symphony Orchestra is Van Cliburn. Walter Susskind, Festival music director, and conductor and music director of the Orchestra, will be on the podium.

Party tickets - which are \$6 per person - and concert tickets - ranging from \$3 to \$5.50 - may be ordered through the Mississippi River Festival office, 718 North Grand Boulevard, St. Louis, Mo. 63103, phone (314) 534-1700, or the University Center box office on the SIU-SW campus, phone (618) 692-2320.

After the mail order deadline, party tickets may be purchased in person at either of the above locations until 5 p.m. Thursday, July 8.

## City Assures

Intercept sewers at an estimated cost of \$15.3 million. The committee handling the township program — consisting of the supervisors of each of the four townships — have pointed out that fees collected from sewer users in the rural area would make it possible for Granite City to build its treatment plant and intercept lines at virtually no cost to the city.

**City to Pay 20%**  
Under present plans Granite City expects to receive 80% of its financing from the federal government and about 20% from the state, leaving a 20% local share. The supervisors said the fees paid by township residents would be more than ample to repay Granite City for its 20% local share which it will have to provide to build its additional facilities.

Nom told the council Monday night that "I believe we still should approach this thing carefully. The taxpayers of Granite City have built our sewer treatment facilities, and we don't want to give them away."

Deadlines set by the Illinois Environmental Protection Agency require completion of secondary treatment facilities in Granite City by Dec. 31, 1973.

## Open House Marks Post Office Change

Visitors at local post offices today are being given a souvenir envelope with the new insignia of the United States Postal Service (an American eagle) and the old emblem of the now defunct U. S. Post Office (a pony express rider) to commemorate inauguration of the new service.

Part of a nationwide celebration, the occasion also is being marked by open house programs at all three local post offices.

The colorful first-day envelopes also are available in limited numbers as a first-day cancellation for the cost of an 8-cent stamp. It is the only time that a first-day cover has been offered at all U. S. post offices on the same day.

Tours through post office facilities until 4 p.m. today were announced earlier this week by local postmasters, W. T. Overbeck of Granite City, William Clinton of Madison and Charles Simmons of Venice. Photographic displays of modern postal service jobs and functions also are featured.

Inauguration of the new service was marked in Washington today with dedication ceremonies hosted by U. S. Postal officials.

## Mrs. Mabel Callahan Dies Here at Age 61

Mrs. Mabel Callahan, 61, of 117 Grenzer Homes, Madison, died at 7:40 p.m. Wednesday at St. Elizabeth Hospital. She had undergone surgery earlier that day.

An obituary notice appears in today's obituary column.

## Park Festival Promises Gala Holiday Weekend

Observance of the Fourth of July in the Quad-City area this year will be concentrated in Wilson Park, where one of the most extensive programs of activity since 1945 is under way prior to the holiday weekend.

Local families planning to remain in their home community during the three-day weekend have a wide assortment of entertainment to enjoy, offered by the Granite City Park District. Events include two spectacular fireworks displays at 9 o'clock Sunday and Monday nights.

The annual Fourth of July festival is being combined this year with a mid-summer celebration marking the park district's 50th anniversary year. Harold Brown, superintendent of parks and recreation, said, "We especially encourage families to bring along a picnic supper, listen to the band concert then enjoy the fireworks display," the superintendent said.

Music for the special concert is to be furnished through the combined efforts of Local 717, American Federation of Musicians and the Performance Trust Fund, Brown said.

The Land of Lincoln Coin Club will sponsor an auction for rare coins, medals and the general public in three separate sessions Saturday and Sunday at the park rink pavilion. Sessions scheduled Saturday are from 1 to 4 p.m. and 5 to 8 p.m. Sunday's auction will start at 1 p.m. and continue until 4 o'clock. All segments of the auction will be conducted by the Joseph Coin Shop, 1339 Nineteenth St., St. Louis.

A free auction list may be obtained from the Joseph Coin Shop and both floor bids and mail bids will be accepted, the auction directors explained.

Rare Coins, Medals Included among the items will be 500 lots of rare coins, antique medals, St. Louis World

Fair items and other collectable coins and materials. According to Harry Fichte of Granite City, coordinator of the weekend exhibition, no competing displays involving private exhibitors will be shown this year.

An added interest to local patrons will be the sale of Granite City Jubilee Medals, which will be offered during the two-day show.

The commemorative pieces include a limited number of bronze and silver proof sets, with matched serial numbers in custom-made lucite holders, priced at \$15 per set.

The solid bronze proof medals, costing \$2 each, and the silver proof medals, designated as 999-plus fine, at \$10 each, also will be available to purchasers in limited supply.

Only 4,000 bronze medals were minted and the silver proof issue totaled 1,000 coins, the exhibition chairman said.

The Willis boy was treated at St. Elizabeth Hospital for abrasions to the right side of his rib cage. He was released after x-rays were taken. Young Griggs declined hospital treatment.

**Draft Law Expires, Inductions Halted**  
There will be no inductions in Madison County or elsewhere in the country until Congress acts on a new draft law. The present Selective Service Act expired at midnight Wednesday, suspending all inductions, physical examinations and classification actions. No announcement has been made on 18-year-olds registering during the lull but Selective Service officials will remain open for registrations. No July draft call was issued due to the threatened expiration of the Selective Service Act.

**Stolen Auto Found**  
A 1965 auto of Guy Wallace, 4250 Lake Drive, reported stolen at 2:10 a.m. Wednesday from 14th and State streets, was located at 2 a.m. parked on the lot at the Madison Police Dept.

## Mrs. Georgia Cocagne, 65, Dies; Ill 1 Year

Mrs. Georgia Lois Cocagne, 65, of 1711 State St., who helped organize the Granite City Association for Retarded and Served as president for two terms, died at 4:55 a.m. today at Bellevue Memorial Hospital.

She had been ill for one year and was hospitalized six days. Born in Vandalla, Mrs. Cocagne was here 35 years. Her husband, Francis, who survives, owns and operates the Cocagne Monument Works at the State Street address.

Mrs. Cocagne held several offices in the local association to aid the mentally handicapped in past years. She also was a member of the Granite City Elks and St. Joseph Catholic Church.

Beside her husband, she is survived by a daughter, Mrs. John (Shirley) DeConia Jr., of Granite City; a son, Stephen Cocagne of Granite City; two grandsons, William Morton of Denver, Colo., and Ralph Morton of Vandalla; four sisters, Mrs. Gladys Setton of St. Elmo, Ill.; Mrs. Montaigne Blair of Charleston, Mrs. Caddie Tinker of Vandalla and Mrs. Grace Fernald of California; and six grandchildren.

Funeral arrangements are given in today's obituary column.

## Garage, Auto Burn, Loss Set at \$3,500

Fire destroyed a garage, damaged the contents, including an auto, and spread to the neighboring garage at the home of James Dimitroff, 2548 Edison Ave., at 3:15 p.m. Monday.

The loss was estimated at \$2,500 to the building, \$800 to the car and \$200 to the other contents. The cause was unknown.

Damage was estimated at \$100 to the garage of Paul Morton, 2592 Edison.

Firemen also were called to St. Elizabeth Hospital at 6:30 p.m. Monday as a television set was on fire. Damage was listed at \$100.

**Woman, 65, Injured In Auto Accident**  
Mrs. Mabel Deutherage, 65, of 5120 Maryville Road, was injured when her auto leaving the Nameoki Village shopping center, was struck by an auto driven by Sandra K. Miller, 308 Warsaw Lane, at 8:50 a.m. Wednesday on Nameoki Road.

She was treated at St. Elizabeth Hospital for abrasions and contusions to the head and spine and was released following x-rays.

**Survivor Fatal Attack**  
Robert J. Gamble, 42, of Columbia, Ill., suffered an apparent heart attack while on the Fairmont City Golf Range at 8 a.m. yesterday and was taken by ambulance to St. Elizabeth Hospital where he was pronounced dead upon arrival at 8:20 a.m. Mr. Gamble had been under medical treatment several years for a heart ailment. Funeral arrangements are pending at a Fairview funeral home.

## Frisbee, Hula Hoop Contests Wednesday

Winners in Frisbee and Hula Hoop contest to be held at the ice rink at Wilson Park Wednesday, July 7, will qualify for state competition and an opportunity to advance to the national contest for the national title and a \$1,000 prize. Savings Bank, according to Mrs. Helga Bjorkman, area supervisor for the Granite City Park District Recreation program.

A Frisbee contest for youngsters through age 15 will be conducted at 9:30 a.m. Wednesday with the winners qualifying for state competition.

The Frisbee is a plastic plate that is aerodynamically designed to sail through the air in spectacular flight patterns, depending on the skill and technique of the thrower.

Boys and girls will be eligible to participate in age groups, 11 and under and 12 and over. The 15, for top local honors in preliminaries. All contestants will be supplied with Frisbee to use and helpful hints on how to achieve a curved flight, skip flight, distance throws and novelty catches between-the-back and between-the-legs.

A Hula Hoop competition will follow at 1:15 p.m. at the ice rink for boys and girls in the same age divisions.

Youngsters participating in this contest will perform such tricks as the knee knockers, stork, hula hoop, alley oop, and wrap the mummy. An opportunity to amass extra points will be provided with the free-style routine, in which each youngster performs as many hoops as they can keep gracefully spinning on arms, legs, body, in a wide variety of innovative maneuvers.

Youngsters wishing to enter should contact their local recreation center for more information.

## Plan Group Will Hear Report on New Airport

Arven H. Saunders, executive director, and Robert J. Latta, chairman, will review progress of the St. Louis Metropolitan Area Airport Authority at 6:30 p.m. Thursday, July 8, at Augustine's Belleville.

The decision will be a quarterly meeting of the Southwest Illinois Metropolitan Area Planning Commission, of which Charles Chenoweth is president. A bylaws committee is to be appointed and the commission will consider nominations to fill vacancies on its board.

Possible inclusion of Randolph County in the territory served by the commission will be considered. At present, the boundaries take in Madison, St. Clair and Monroe counties.

A bylaw amendment will be presented to Vice-President Harry Briggs and Secretary Edwin Leamon.

## Attempted Burglary

Shirley Genovese, 2420 Sunbury Ave., reported an attempted burglary at her home at 11:20 a.m. Tuesday. She said she heard a strange noise, her dog barked and a neighbor found the door glass broken. The storm door was closed but was undamaged, she said.

## Camera Missing

A self-printing camera, valued at \$90, was stolen from a bedroom shelf at the home of David Price, 3013 Myrtle Ave., it was reported during the weekend.

## Nameoki Supervisor Denies Politics in Road Aid Plan

Louis Whitsell, Nameoki Township supervisor, denied Monday night charges of several residents that he had been paid to place a road aid plan in the township to advance the interests of the Granite City Public Works Department.

At the Nameoki township board meeting Monday, Whitsell said the township is willing to assist the village. He read a letter which he said he had sent to the village board detailing hourly rental rates for men and equipment to work on village streets and roads.

Fred Reer, Pontoon Beach trustee, said last week that he had telephoned Whitsell several times to discuss the cooperative program but Whitsell had not returned his calls.

The supervisor replied Monday night by saying, "I assure you Mr. Reer never has called this office. I hope his animosity is getting the people off our backs," Whitsell added. He said that numerous Pontoon Beach residents have called his office complaining about the condition of roads in the village.

"It is not up to us to fix their roads. They get a portion of the road taxes to do that themselves," he commented. The supervisor also commented on charges by Dr. Dean Rochester, village trustee, that Whitsell was complaining about the road in front of his home, which Rochester said is in better condition than most in the township. Whitsell said he was not complaining about the street on which he lives.

Albert Bell, township highway commissioner, said, "Our roads are not in the best shape and we have enough work to do in the township, but we are willing to help the village."

He added, "We don't want to make a profit from this, we only want to break even."

Whitsell remarked that "I think there are some animosities being stirred up here, trying to make it look as if I'm playing some kind of game by offering to help the village."

**Listed Rental Prices**  
In his letter to Thomas L. Suuff, president of the village board, Whitsell offered the use of a road grader and operator for \$10 per hour, a truck operator for \$8 per hour and the use of a tractor and operator for \$6 per hour. He said that all material and other labor would have to be supplied by the village as well as book-keeping expenses.

The quoted hourly rates include insurance, fuel, machinery repairs and retirement fund contributions, the letter said.

A letter from Whitsell to William F. Hoelscher, secretary of the Tri-Cities Taxpayers Public Expenditures Survey Group was read in which the supervisor continued to question the increase in the tax levy of the Long Lake Fire District from 10 to 15 cents per \$100 assessed valuation.

## Protests Budget

Whitsell said in the letter that the increase, "in my opinion is not legal without referendum." He also stated, "last year the budget for the fire district was \$17,528.85. This year's budget is fixed at \$50,125 with no apparent listing of disbursements except for a service contract with the Long Lake Volunteer Firemen's Association in the amount of \$36,000 plus various small expenditure items."

The letter also stated that Whitsell's primary interest is to provide fire hydrants in the more populated areas of the township and that "for financial reasons" the district disapproved the expenditure.

The taxpayers group is conducting an investigation into the proposed fire district budget increase, Whitsell said.

A bid from the Gulf Oil Co. for fuel for township vehicles and machinery was accepted over bids from New Era Bluff Oil and Atwood Fuel Co. The winning bid offered fuel from 14.7 cents per gallon to 18.5 cents per gallon, according to the type of fuel. For most fuels, the bid was 4 cents per gallon cheaper than the fuels presently in use by the township.

A bid to cover the roof of the town hall with asbestos and asphalt was accepted from Rogers Co. for \$308. Several bids were received but the committee studying the project brought only the recommended Rogers bid to the board for acceptance.

Whitsell announced that the township will place legal notices in area newspapers informing dog owners in the incorporated areas of the township that they are required by

## Rites Held Tuesday For Edgar Howard, 58

Funeral services were conducted Tuesday at a St. James, Mo. mortuary for Edgar Howard, 58, a native of Bland, Mo., and father of Mrs. Jane Kelly and Miss Linda Howard both of Granite City.

He died Saturday, June 26, in St. Louis. The Rev. William Riddle officiated at the services. Burial was in the Oak Forest Cemetery.

Other survivors include his mother, Mrs. Edith Howard of St. James; another daughter, Mrs. Patricia Skinner of St. Louis, and a son, David Howard of Fort Leonard Wood, Mo.; three sisters, Mrs. Harry Swearingin of St. Louis, Mrs. Leslie Copeland and Miss Virginia Howard, both of St. James, Mo.; one brother, William Howard of St. James, and six grandchildren.

## Parked Auto Struck

Upon leaving the curb, an auto driven by Walter M. Boyd, 2146 Delmar Ave., struck the left rear of the parked car of Clarence Ready, 1944 Delmar, at 4 p.m. Tuesday at Delmar and 20th Street.

## Auto Damaged by Hit-Run Driver, Vandal

The auto of Donald Kohrmei, 2206 Nevada Ave., was damaged by a hit-and-run driver and by a vandal Tuesday night and early Wednesday.

The hit-and-run accident was reported at 11:05 p.m. at 27th Street and Madison Avenue. At 2:10 a.m., he reported that while the car was parked at a service station at Franklin Avenue and Pontoon Road, someone threw a large rock through a front window, scratching the hood and damaging a windshield wiper.

## Suggestions for Enjoyable -- and Safe -- Fourth of July

Don't take off like a skyrocket this Fourth of July.

Fatigue and exhilaration are prime causes of holiday mishaps, advises a safety official, who adds:

"Holidays can be great fun, but the price of traffic, boating, and swimming accidents is a high one to pay just because you are hurried, tired or excited."

"For a safe, enjoyable weekend, here are rules of moderation."

"In planning a motor trip, be sure to allow extra time for travel—coming and, especially, for going home."

"Heavy traffic, summer road repairs and construction obstacles are common this time of the year. Thus, the roads are generally congested and frustrating for those with too tight a schedule."

"Make sure your car is in proper running order."

"Never drive without your seat and shoulder belts fastened."

"Keep an eye on your speed."

## Inter-City All Star Game Is Holiday Feature Sunday

The Southwestern Illinois Inter-City Baseball League will feature its annual All-Star game at 2 p.m. Sunday on the Moonlight diamond located on old U. S. 40 two miles west of Troy.

The All-Star game this year will consist of players from the Red and Blue division as picked by league officers and managers.

Last year the team that was first in standings at the conclusion of the games on June 28 played an All-Star team picked from the other five teams. The Mercer nine took the All-Stars 17-16 in a four hour contest.

The Blue Division All-Stars will be managed by Glen Gutzjahr of Mollitor, assisted as coaches by Wendell Corey of

Mercer and Ray Perry of Maryville.

Harold Schwehr of Troy will manage the Red Division team, assisted by Jim Greer of St. Mary's and C. D. Angleton of Fairfax.

Teams and their representatives selected include:

Blue Division — Mercer, Bill Campbell, Jim Greenwald, Bill Parks, Jim Scott, Jeff Boyles and Bob Finke; Maryville, Reid Schumacher, Gus Viviano and Charles Bohnenstiel; and Mollitor, Reynolds Weeden, Ron Laws, Steve Helmkamp, Chuck Hasenstab, Larry McCaskey, Jesse Young, Jim Bone, Doug Edwards and Bill Mador.

Red Division — St. Mary's, John Paskus and Al Bregen; Highland — Pleron, Bob Riden

and Jack Froehner; Troy, Jerry Brendel, Gerald Schmitt, Jerry Pilcher, Larry Lewis, Dick Kraft and Dave Semanisin; and Glen Carbon, Maurice Sanderson, Ben Ricker, Mike Allaria and John Caban.

Troy leads the league and the Red Division with a 9-0 record. Mollitor, which had its unbeaten record changed last Sunday when Mercer's stopped them, are tied with East Alton for first place in the Blue Division with a 7-1 mark.

Other team records in the Red Division are Glen Carbon 4-6, Fairfax 2-6, Highland-Pieron 1-6 and St. Mary's of Madison 1-8.

Mercer's now is 5-4 in the Blue Division and Maryville is in the Blue's last slot with 2-6.

## Alton Golf Meet Set July 10-11 Gubser Grand Slams, Snelson Cuts Custom

The Alton Recreation Commission's 18th annual Men's Gold Medal Golf Tournament will be held July 10 and 11 at Rock Spring Golf Course.

Each year a field of the area's top 128 amateur golfers compete over 36 holes for more than \$800 worth of merchandise and trophies. Last year's field included winners like Gary Strickfaden, with a 137 in championship flight, Jim Schneider with a 153 in Class A flight, Ivan Seale with a 161 in Class B, and Frank Hicks with a 171 in Class C.

For further information, contact the Alton Recreation Commission or write P.O. Box 592. Entry cut-offs will be at 128.

With Gary Gubser hitting a grand slam home run and Roger Fountain belting two circuit breakers, Snelson's Auto Body curved up Custom Engraving 16-4 in Classic Northern action at Worthen Park Monday evening.

Fountain was also the winning pitcher as Snelson tagged 21 hits, while Custom had 10 hits and committed seven errors.

In other Northern action Monday Jim Stuart homered for Becerra's to help beat Jacobsmeier's Rebels 8-3. The Rebels managed 13 hits and Becerra's had 17.

Clark's Hardfacing fried Burger King 15-5 on 20 hits. The losers were credited with 13 hits and committed five errors.

In 35 & Over action Monday, the Elks came from behind 14-9 going into the bottom of the seventh to score six runs and trip the American Legion 15-14. Jim Black poled two home runs for the Legion and Don Harmon tripled for the Elks as they out-hit the Legion 25-23.

## Seale Wins Feature Cycle Race at Track

Charles Seale of St. Louis snatched victory in the feature event of the weekly motorcycle races at the Tri-City Speedway Tuesday night from Neal Keen of St. Louis with a final turn lunge which put him one-half bike length in front at the checkered flag.

The finish was the climax of a 10-lap battle between the two riders. Seale's Buellco jumped to an early lead in the feature, only to be passed by Keen's Yamaha in the first lap. The remaining laps saw Seale in hot pursuit, bidding unsuccessfully for the lead until the last turn.

Randy Atchison of Mexico, Mo., finished third and Sonny Aut of St. Louis was fourth.

In the trophy dash, Seale led in the first three of the four-lap event but Keen passed in the final lap for the checkered

## Bergeson Will Aid Philpott in Revenue District

Appointment of Norman B. Bergeson as assistant district director of Internal Revenue for the Springfield district was announced Tuesday by Jay C. Philpott, district director. Bergeson, presently assistant regional commissioner - data processing, Midwest Region, Chicago, replaces Martin L. Webb, now deceased.

The Springfield district serves taxpayers in 76 counties in Central and Southern Illinois.

During the 1971 filing period, 1,031,130 tax returns were filed, and \$88,787 refunds were received by district taxpayers - totaling \$180,412,920.26. Over two billion dollars in corporate and individual taxes were collected.

The district employs 446 in its headquarters office in Springfield and at 21 other locations.

Bergeson began his IRS career in 1954 as a position classifier in Cincinnati. He served in supervisory positions in Washington, D.C., from 1962 until 1967, when he was promoted to his present position.

In 1970, he entered the IRS Executive Selection and Development Program. This is a program conducted by IRS to identify and train officials who demonstrate executive potential. Periodically, a small number of employees is competitively selected from hundreds of eligibles in the program.

Bergeson, 46, a career employee with 23 years of federal service, is a native of St. Paul, Minn. He received a bachelor of business administration degree in 1949 from the University of Minnesota at Minneapolis. He is married and has four children and is a member of the Masonic Lodge.

**Drug Charge Filed**  
Three youths were arrested at 11:05 p.m. Tuesday in Wilson Park. Two juveniles were charged with disorderly conduct, and Michael James Stephens, 17, of 2409 O'Hare Ave., was charged with unlawful possession of marijuana. The juveniles were released on \$25 cash bail and Stephens on \$50 cash bail to return July 21.

## Explorers Learn Value of Press-Police Relations

Relationship between law enforcement agencies and the news media: the methods by which newsmen collect information pertaining to police cases and the need for good police-press working relations were topics discussed last week at a meeting of Explorer Post 104.

Addressing the group at the Madison City Hall was Mrs. Valerie Evenden, women's editor of the Granite City Press-Record, who has worked as a police beat reporter for several years.

Mrs. Evenden recently was appointed an associate advisor to Post 104, a law enforcement unit co-sponsored by the Madison Police Department and the Madison Lions Club.

She is the first woman associate advisor named to serve with an Explorer Post in the Cahokia Mound Boy Scouts of America Council and the first to serve with an Explorer unit assigned to a law enforcement program in the nation, local scouting officials believe.

A presentation on women acting in an advisory capacity in the Explorer program was rescheduled four months ago by the National Boy Scout Council, with women now eligible for appointment to post advisory committees.

**Good Relationship**  
Good police-community relations, increasingly emphasized as an important facet of overall police work by law enforcement agencies, is accomplished in most instances through the news media, Mrs. Evenden said.

She stressed that not all information concerning police activities found in newspaper articles necessarily involve law breakers, although the percentage is high and to a casual reader may appear that way.

cers and programs carried out by the departments.

This type of reporting is vital to the police image to "counteract a certain amount of natural hostility the officer encounters when trying to perform the services which we as citizens demand for our own protection."

Working closely with a law enforcement agency requires a reporter to be discreet, trustworthy and alert. Unless a charge is filed against an individual, the newspaper does not report the names of those involved in an incident, she said.

On occasions, specific situations may be recorded in a general manner, without naming individuals, to protect persons who have not been formally charged with a misdemeanor or felony, Mrs. Evenden said.

Problems in dealing with cases involving juvenile delinquents and special laws that govern how such episodes are handled by the press were explained, and procedures in compiling information at the three local police headquarters were described by the Press-Record staff writer.

**Largest in Council**  
Explorer Post 104 has the largest active membership in the Cahokia Mound Council, with 30 youths enrolled between the ages of 14 and 21 years.

The post's advisory board consists of Madison juvenile Officer Donald Bridick, advisor; Walter "Mike" Strange who organized the unit in October 1969 and serves as institutional representative; five associate advisors and a 15-man committee composed of police officers and Lions club members.

Post officers are Terry Toth of Granite City, president; Jerry Dragich of Madison, vice-president; Vince Saputo, Granite City secretary; Chuck Hooks, Venice, treasurer; Chuck Hornmann, Madison, historian; Dan Sipes, Madison, quartermaster; and Brad Smith, Granite City, Dave Michels, Madison, and Mike Bihrey, Venice, squad leaders.

A total of 361 Explorer Scouts is registered in 25 posts within the council's jurisdiction which includes the southern half of Madison County and all of Bond County.

EXPLORER SCOUTS discuss their official publication, the "104 Monitor" with Mrs. Valerie Evenden of the Granite City Press-Record staff, an associate advisor to the Madison Law Enforcement Explorer Post 104. From left are Mike Ramach, Pat Voss and Randy Gravelle. The 30-member post is co-sponsored by the Madison Police Department and Madison Lions Club.

## Spec. 4 Turpenoff Wins Army Award

Specialist Four Richard W. Turpenoff, a son of Mr. and Mrs. Bill Turpenoff, 2123 Lindell Blvd., has been honored with the Commandant's Leadership Award as part of the graduation ceremonies for a course at Fort Benning, Ga., Ind. The course had an enrollment of 30 enlisted personnel.

The Commandant's Leadership Award is presented to the student selected by his classmates, as the one who demonstrated the most leadership potential and whom they believe will be the best future leader. The selection is made on the basis of integrity, honesty, loyalty, initiative, enthusiasm, self-confidence and sense of responsibility.

Spec. 4 Turpenoff was advised of the award in a letter from his commanding officer which read "in view of Spec. 4 Turpenoff's demonstrated potential for leadership, it is recommended that he be considered for

utilization in a position of responsibility in accordance with Department of the Army policy of early identification and development of young leaders. The letter continued, "It is believed that such utilization will prove beneficial to the individual and to the service and that Spec. 4 Turpenoff will continue to excel and develop his capabilities in assignments of increasing responsibility."

The commendation was given to the Granite City soldier to be presented to his ultimate commanding officer.

Spec. 4 Turpenoff is spending a 15-day leave at home with his wife, Paula, daughter, Tricia and his parents. At the expiration of his furlough he will report to Savannah, Ga.

## Mrs. Emma J. Potts Dies at Age 84

Mrs. Emma J. (Tucker) Potts, 84, of 1704 Moro Ave., ill for four years, died at 11:50 a.m. Tuesday at the Madison County Nursing Home in Edwardsville.

A native of Gladden, Mo. she resided in the Quad-Cities 45 years.

Mrs. Potts was a member of the First Church of the Nazarene. Her husband, Benjamin J. Potts, died in 1928.

She is survived by three daughters, Mrs. George (Radic) Cochran of Granite City, Mrs. William (Iva) Hoffman of Madison, Mrs. Ward (Christal) Ramey of Las Vegas, Nev.; four sons, Clifford Potts of Madison, Arley Potts of Granite City, Adolph Potts of San Francisco, Calif., and Clarence Potts of Chicago; 23 grandchildren and 16 great-grandchildren.

Funeral services were held Tuesday. Details are given in the obituary column.

The Madison City Council considered a proposed option of an annual flat fee in lieu of 15% of the gross income in the lease of 154 acres of city-owned Chain of Rocks Bridge and surrounding property for landfill purposes at an informal session Tuesday night.

A 19-year lease agreement is under consideration with Glenon R. Vatterott, St. Ann, Mo., businessman, who plans to conduct a mulching-landfill operation in the area, with use of the bridge by trash trucks.

Mayor Mike Sasyk hopes to arrange a meeting of aldermen with Vatterott representatives late this week in an attempt to solidify the agreement for final adoption at the regular council meeting Tuesday night.

**Amendments Written**  
Several amendments were written into the latest version of the lease contract, including a requirement that Vatterott provide liability and property insurance.

Some terms were more specifically defined, and legal questions concerning future sale, lease or use of the property after it is filled were discussed by the mayor, John Gitchoff of the legal department and aldermen.

Current lease agreements with M&L Landfill, which operates on a portion of the city property, and with American Telephone & Telegraph Co., which maintains a cable across the bridge, are to be attached to the contract.

Mayor Sasyk, who urged caution in determining the best benefits to the city, told the aldermen that the projection is that in two years the Vatterott landfill would gross \$500,000, making the city's share \$75,000.

Under the 1959 provision which most aldermen seemed to prefer, the city would bear the cost of bridge maintenance. The mayor added that in the third to the fifth year, the gross volume could be \$1 million.

**Anti-Pollution Effects**  
Fifth Ward Alderman John Haynes stressed that anti-pollution measures will force greater use of landfills in the future.

It was pointed out that with the expiration of the M&L landfill lease in September 1973, Vatterott would have the sole landfill in the area.

Operation of the landfill would depend upon issuance of a special use permit for landfill purposes by the Madison County Board of Supervisors on recommendation of the Zoning Board of Appeals.

Mayor Sasyk remarked that the firm is considering sponsoring a trip for Chouteau Township officials to other states to observe the methods of treating trash which would be used here.

Following the informal discussion, Mayor Sasyk called the meeting to order and immediately adjourned it following roll call.

## Burglars Hit Tavern For Fourth Time

For the fourth time in two months, burglars have struck the closed Hideaway Lounge, Old Bay-Pass 66 and 97 in Mitchell, this time taking the second air conditioner from the building.

Two weeks ago the first air conditioner was taken and last week a man was chased out of the building by sheriff's deputies after taking some whisky. Liquor also was taken from the tavern in a burglary last month.

The facility has been closed since Alfred E. Frith and the late Woodrow Cavins, co-owners, became involved in litigation over the partnership in September 1970. The court ordered the tavern closed until a settlement could be reached.

Since that time the tavern has been the target of numerous break-ins and thefts.

Mr. Cavins died in May and the courts have been attempting to reach an estate settlement.

**Park Beating Reported**  
Sherry Whittenbrink, 3337 Johnson Road, reported at 8:40 p.m. Tuesday that while she was in a rest room near a Wilson Park ball diamond, a girl approached and asked for a nickel. When told she didn't have one, the unknown girl beat her, she said.

**Vandals Spray Paint**  
Kenneth Mischelhorn, 2909 Grand Ave., reported at 7 p.m. Tuesday that someone sprayed white paint on his 1969 auto parked on his driveway during the night. The windshield was broken and the left front fender was scratched.

## Grand Opening Starts At New Madison Store

A grand opening for the Madison Discount Store at 308 Madison Ave. will start today and continue through next Thursday, with store hours at 9:30 a.m. to 7 p.m. daily.

Three grand prizes and smaller gifts for children and adults will be presented during the week-long observance with the grand prize winners announced later, according to the owner, John Kelly.

The store will feature such items as fishing equipment, household plastics, houseware items, automobile accessories, camping equipment and swimming gear and many other items.

## Injured in Accident

Pamela Johnson, 20, of 2504 Lincoln Ave., complaining of pains after her auto struck the rear of a car driven by Robert Schoeber, 2101 Garfield Ave., stopped in the right turn lane on Johnson at Nameki roads at 9:50 a.m. Tuesday.

## Area Rapid Transit Authority Established

An interim St. Louis Area Rapid Transit Authority was established yesterday by the East-West Gateway Coordinating Council. The authority will be made up of elected officials from both sides of the river. The action is expected to remove the Bi-State Development Agency from a major role in development of the second phase of a planned rapid transit system, at least temporarily. The authority's primary duty will be to develop financing for a proposed 85-mile, \$1.5 billion rapid transit system.

## Gerisch Accepted by U. of I. Dental School

## Bank Patrons to Meet Miss GC-Janine Albers

The new Miss Granite City—Janine Elaine Albers—will make her first public appearance Friday when she greets patrons at the Granite City Trust and Savings Bank and distributes autographed pictures to customers.

Miss Albers, 19, will be at the bank from 10 a.m. to 1 p.m. and from 4 to 7 p.m. tomorrow. The petite brown-haired miss, who won the beauty-talent contest June 24 at the Washington Theatre, entered the pageant under sponsorship of the local banking institution.

At 8 p.m. Friday, Miss Granite City will join other local residents in a special program at the Wilson Park ice rink when former commissioners and officers of the Granite City Park District will be honored as part of the district's 50th anniversary and Fourth of July celebration, Jan. J. Langenstein, Jaycee pageant chairman, announced.

## MORE ABOUT Urban Heads

Plant east of Granite City struck on May 1, 1920, because one of the contractors employed non-union labor. Construction continued with strikebreakers from St. Louis.

On the afternoon of May 20, union workers drove the strikebreakers away. That evening, a meeting of strikers and sympathizers was held at the corner of Washington and Twenty-third Streets. At last past eight, gunmen raced in two automobiles and fired into the crowd. R. Kline, a Nesco employee, was killed.

Three residents of St. Louis were charged with the murder. One was an "industrial watchman"; another was listed in police records as a "professional gunman and strikebreaker"; and the third managed an employers' secret service, described as a laboratory strike-breaking agency.

Pending extradition, the three were held in jail at St. Louis. When Governor Lowden of Illinois requested their return for trial in Madison County, Thomas Cole, secretary of Governor Gardner of Missouri, declined on grounds that there was not enough evidence to prove that the trio had been in Granite City on the night of the murder.

Indisputable evidence was produced subsequently and Cole signed the necessary warrants. But, at this point, the three applied to the Missouri supreme court for a writ of *habeas corpus*.

The writ was denied and the accused men appealed to the U. S. Supreme Court, which will become the lower court on April 25, 1921.

It seemed certain the prisoners now would be brought to trial. But on May 7, 1921, Judge Dyer of the U. S. District Court at St. Louis released them on the plea that the warrants which Cole had issued were no longer valid.

By the time the new warrants were obtained, the three had fled St. Louis. They were never apprehended and the case was dropped.

The St. Louis Coke & Iron Plant was completed in January 1921. Production of coke began on Feb. 8 and Mrs. George W. Niedringhaus fired the first blast furnace.

Immediately afterward, the Press-Record revealed, "she was presented with a beautiful bouquet of American Beauty roses."

Commercial Club members conducted a contest for a prize of \$15 to Lillian M. Watkins, a high school student, whose entry consisted of a magnet enclosing the words "Granite City, Ill., Industria Magnet of the West."

The Granite City Park District was created on Feb. 19, 1921, by a vote of 228 to 19. In September, the park board had purchased 52 acres at the northwestern edge of the city. Workmen began landscaping the tract in July 1922, and on June 15 of the following year it was opened to the public at Wilson Park.

## Visits Countries Behind Iron Curtain

Mrs. Beryl Nyboer, a former Granite Cityan, now residing in Fort Myers, Fla., recently visited Czechoslovakia and Yugoslavia as secretary to her brother-in-law, Dr. John Nyboer, a medical researcher for the Michigan Rehabilitation Institute, Detroit, Mich.

Dr. Nyboer was sent to Europe as an exchange scientist with the Czechoslovak Academy of Science. He and his wife, Martha, preceded Mrs. Nyboer on the three month trip and, after a plea for her assistance as a secretary, she left Florida to join the couple.

Mrs. Nyboer, who resides at 2206 E. Sixth St., Lehigh Acres, retired as secretary-bookkeeper for the Southwick Metal Co. of Granite City in 1969, when the firm closed after 29 years in business here.

As secretary to Dr. Nyboer, she was required to record his

speeches without error, as they were to be printed in medical journals. This was accomplished on completely "strange" typewriters, Mrs. Nyboer recalls.

The Czech typewriter has 11 more letters than the American typewriter, creating a different keyboard, she explained, noting that in Yugoslavia she used a German typewriter which operated differently from the Czech version.

Dr. Nyboer is the world's foremost authority on "Impedance," the use of a double wire loop that goes around the chest to measure stroke and heart damage. "He has written the only two books on 'Impedance' in the world," she said.

The trip into countries behind the Iron Curtain gave Mrs. Nyboer a new insight to the way of life of people with little freedom. She stated, "The people of Czechoslovakia and Yugoslavia, living behind the Iron Curtain, love to hear about

Florida, the sunshine and freedom."

### Less Restricted

She noted that Czechoslovakians are more restricted than people in Yugoslavia as they, the women included, are told which jobs they are allowed to do and "they are expected to be happy about it," she commented. Rent is taken out of their salary before the worker is paid, because the state owns everything, she explained.

After visiting Yugoslavia, the former resident said that Yugoslavia "seemed like complete freedom compared to Czechoslovakia." Here the restrictions were not so great. Tito gives the people a chance to practice free enterprise, at least to operate a business with up to eight employees and also privately own farms, Mrs. Nyboer noted.

During their stay in Yugoslavia, Dr. Nyboer was invited to attend the 8th European Congress on Ballistocardiography and Cardiovascular Dynamics at Ljubljana, a city in northwest Yugoslavia. It was the first time the meeting had been held in an Iron Curtain country and everyone attending was "royally entertained," the former Granite Cityan said.

The women were taken to beautiful Lake Bled for an outing and the city and its palaces and at the university.

Before returning home, the trio visited Holland, where they had relatives, and as far as the city of Stophorst just as a polio epidemic was beginning.

"These people live just as they did 100 years ago," she stated. "The homes have thatched roofs with the barn connected to the house, so a cow or horse is liable to peer in as the family gathers around the kitchen table or in the dining

room. Mrs. Nyboer remarked,

"We had taken popcorn along and it was the first time our relatives had seen or tasted this item which we take for granted in America," she commented, adding that dried cereals made a big hit with the youngsters at the home they visited.

Her husband, the late Henry Nyboer, was a history and social studies teacher at Granite City High School at the time

of his death in 1943 when he was killed in a bus and street car accident. Their daughter, Jacqueline, was fatally injured in the same accident.

The Henry Nyboer Science Award is given annually at the local high school to the outstanding student in memory of Mr. Nyboer.

CALL YOUR REALTOR MORRIS REALTY CO. 876-4400

WED RECENTLY, Mr. and Mrs. Timothy L. Skout. Their wedding was an event of Saturday at St. Joseph Catholic Church. A daughter of Mr. and Mrs. Clifford P. Maig, 2630 Edison Ave., the bride is the former Barbara Jean Mang.

MRS. RICHARD BURNS BELL JR., who was married Saturday at Scott Air Force Base. The bride's parents are Colonel and Mrs. Fayette Loomis Worthington of the Granite City Army Depot.

## Miss Linda Worthington Married at Scott AFB

Marriage vows were exchanged Saturday evening by Miss Linda Darlene Worthington, a daughter of Colonel and Mrs. Fayette Loomis Worthington, Qtrs. 5, Granite City Army Depot, and Richard Burns Bell Jr., son of Mr. and Mrs. Richard Burns Bell Sr., of Pittsburgh, Pa.

The double ring ceremony took place at 6:30 o'clock in Chapel 2 at Scott Air Force Base with Chaplain (Major) Wayne S. Madden officiating.

Given in marriage by her father, the bride was attired in a gown of ivory silk organza. Designed on Empire lines, the fitted bodice had a Victorian neckline and long bishop sleeves. Peau de Ange lace, beaded with small seed pearls, encircled the neck. Lace covered the bodice and sleeves and outlined the hem of the controlled skirt.

The removable chapel train was bordered with an overlay of lace and a Camelot crown, covered with matching lace and pearls, held in place the bride's veil of silk illusion. She carried a bouquet of gardenias, stephanotis and baby breath.

Miss Janet Worthington served her sister as maid of honor, and Miss Kathy Anderson and Miss Susan Worthington were bridesmaids. They were dressed alike in gowns of avocado crepe. Imported French gold braided adorned the tiny standup collars and bodices. All of the attendants had bouquets of Abbey of Gethsemane roses, daisies and baby breath.

Mr. Bell's attendants were Anthony W. Rees, best man, and Terrence A. Bell and Keith Bell, brothers of the bridegroom, who served as ushers.

For her daughter's wedding Mrs. Worthington wore a long gown of pink beaded lace. The bridegroom's mother chose a full length gown of pink and green textured brocade. Both carried white Callieya orchid corsages.

The former Miss Worthington graduated from Carnegie Mellon University with a degree in mathematics. She is a member of Delta Delta Delta sorority.

The bridegroom, an employee of the Westinghouse Co., in Philadelphia, is also a graduate of Carnegie Mellon University.

Immediately following the ceremony a reception was held at the Officers Club.

Among the out-of-town guests present were Mrs. Elsa C. Young and Miss Joanna A. Young, an aunt and cousin of the bride from Seattle, Wash.; Colonel and Mrs. John T. Rhett and Miss Libby Rhett of Charleston, Ind.; Mr. and Mrs. Douglas Marshall of Chicago; Mr. and Mrs. David Gennert of Paducah, Ky.; Lieut. and Mrs. Bradford Smith Jr., of Arlington, Va.; Miss Kathy Strohl of Philadelphia, Pa.; and Miss Donna Musulin of Pittsburgh, Pa.

HOME FROM HOSPITAL Mrs. Ruby Rutledge, 16 Mercer Drive, returned home this week from Barnes Hospital, St. Louis, where she was a patient for one week for tests and treatment.

## Couple Weds In Madison

Mrs. Gladys Atchison and Clarence (Tuffy) Phelps, both of Granite City, were united in marriage Saturday afternoon at the First Baptist Church of Madison.

The Rev. Paul Davis officiated at the 1 p.m. ceremony. Attendees were Mr. and Mrs. Frank Lindsey.

The newly married couple will make their home at 4024 Lake Drive.

## Graceland Group Donates to Fund

The Graceland Baptist Church Missionary Society met Monday evening in the home of Mrs. Lorraine Fox, 2906 Sunset Ave.

The program was presented in two parts. The first was given by Mrs. Wanda Koellie on the topic "The More You Give and Love, The More Blessings Received."

The second segment, presented by Mrs. Fox, was entitled, "Saints In Overalls." Other participants in the program were Mrs. June Perkins and Mrs. Mildred Lovejoy.

A business meeting was conducted by Mrs. Shirley Caldwell, president, who announced \$102 was raised in a recent rummage sale, with the proceeds to go to the church building fund. Mrs. Keelin served as chairman of the project.

Prayer given in unison by the members and refreshments were served by Mrs. Fox to those named and to Mrs. Pat Campbell and a new member, Miss Sandra Falloni.

## Job's Daughters Attend Reception

Members of Bethel 43, International Order of Job's Daughters, returned Monday after attending the reception for Mrs. Ethel Stahnke, Grand Guardian of Job's Daughters in Illinois. The event was held in La Grange, Ill.

Those attending from Granite City were Mrs. Nell Beckette, Bethel guardian; Miss Mickey Lynn Pritz, honored queen; Mrs. Dorothy Brkaway; Miss Pat Brkaway, grand representative to Kentucky in Illinois; Miss Elaine Lockhart, honorary state musician; and Honorary Sherri Teller, Marsha Clatts, Angela Pope and Sue Sackett.

The trip was made by bus and the local Bethel members were accompanied by members of the Wood River and Alton Bethels. The girls dined in Springfield, and toured points of interest in the state capital before returning home.

Mr. and Mrs. James Pritz provided transportation to the bus terminal.

## Edwards Named To New Post in School District

Ray Edwards, 3024 Iowa St., lead custodian at Granite City High School, has been appointed as maintenance supervisor for the Granite City School District, effective today.

His salary was set at \$10,000 per year by the Board of Education at its meeting Monday night.

Edwards, a custodian in the school system 18 years, will direct maintenance programs by such crafts as carpenters, laborers, painters, chauffeurs and maintenance custodians. He will report to Tully A. Houbner, director of buildings and grounds.

The board accepted the resignations of four teachers and employed four others.

Mrs. Esther Vasileff, 2818 State St., who has been on leave of absence while she studied for a certificate as a school psychologist, is leaving that status but will continue as a psychologist for Special Education District Region I.

**Moving from Area**

The others, who are moving from this area, are Miss Donna Taber, 3913D Village Lane, lower primary teacher at Logan School; Miss Pamela Wise, 4025 G. and Light Walk, first grade teacher at Marshall School; and Mrs. Jean Davis, 2620a Grand Ave., middle primary teacher at Wilson School.

Hired were Mrs. Shirley K. Kreyling, 27, of Florissant, Mo., B.S. degree from Saint State U., four years experience, for home economics at Coolidge Junior High School; Miss Nancy J. Leo, 25, of Jacksonville, Mo., from Western Illinois U., two years experience, as a string music teacher.

Mrs. Betty L. Phillips, 39, of 2382 Spalding Ave., B.S. from Southern Illinois University, Southwestern, no experience, as first grade teacher at Stallings School; and Mrs. Meriam A. Sheriff, 46, of 4722 Benjamin St., B.S. from SIU-SW, no experience, as special education teacher of multiple handicapped.

**Purchase Bleachers**

The board approved the following purchases and awards on the basis of low bids:

Ten sections of 16-foot, 15-row portable bleachers for the high school football field for \$6,975 from American Bleacher Corp. Six sections will be for the south end zone and four for the north. They will increase the seating capacity by about 1,500.

Athletic lockers for the high school and Grigsby Junior High School from the Medart Co. for \$9,335.

A commercial-type refrigerator for \$890 from Ford Hotel Supply Co. and a freezer for \$890 from Peerless Hotel Supply, both for McKinley School. The state will pay \$1,000 to \$1,500 of the cost.

Cut glass for doors and side lights from Southern Illinois Plate Glass for \$501, with that firm and Pittsburgh Plate Glass and Granite City Glass to be used at source of supply of glass for the next school year.

Houser Automotive as a source of supply for V-belts on the low bid of a 31% discount from list price.

The board approved educational fund bills of \$27,863, fire repair bills of \$11,781, federal fund bills of \$449, building fund bills of \$20,792, travel allowance bills of \$35, transportation bills of \$41,401, joint agreement fund bills of \$6,124, tuition reimbursement of \$1,893 and cafeteria disbursements of \$3,076.

**NEW JAYCEE PRESIDENT**, Bill Talley, at right, receives gavel and congratulations from David Partney, left, the retiring president, and James Cook, of Collinsville, a national director of the Jaycees' Southwest region who installed the new local officials.

## Venice Council Lets Contract For Sewer Line

A contract for construction of a sanitary sewer interceptor line that will serve residents in the South Fourth Street area of Venice, in the vicinity of the Lincoln Vocational Center, was awarded by the Venice City Council Tuesday night to G. H. Sternberg & Co.

The contract was awarded on a low bid of \$18,973. Two other bidders were Allied Building Co., with an offer of \$29,964, and Nelson Construction Co., bidding \$22,244.

The sewer project, which will tie in with a sanitary sewer outlet at Brooklyn, has been in the planning stage for four years. The council also adopted a resolution under which the city will participate in the National Community Shelter Planning Program.

Repair of a loose expansion joint in the McKinley bridge was authorized, with the work to be done by the Alberici Construction Co. of St. Louis. The work was awarded to the St. Louis firm at the request of Hardesty & Hanover, bridge engineers, who pointed out that the work is of an emergency nature. The work will be done on a time and material basis.

**Man Injured in 3-Car Collision in Venice**

David Kazban, 24, of St. Louis, was injured in a three-car collision at Main Street and Broadway in Venice at 2:35 p.m. Tuesday when the auto of Alex Marsh, St. Louis, struck Kazban's pickup truck and the station wagon of Donald R. Noyes, 2549 Delmar Ave.

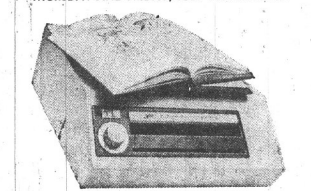

Noyes, former commander of the Salvation Army here, was driving a Salvation Army vehicle which was damaged. Kazban's pickup truck and the best hospital where he was treated for contusions to his head. X-rays of his spine were taken and he was released.

## Illinois Amvets Elect GC Man Vice Commander

Leo Clements of Quad-City Amvets Post 51 was elected vice commander at the annual state convention which ended this week at Peoria.

A 10-year member of the veterans organization, the new state vice commander will serve over a jurisdictional area composed of Divisions 3, 4 and 5. The territory includes Amvets posts throughout the state with exception of those located in Chicago and Cook County.

Clements was elected to the office by a vote of 151 to 71 over Delmar Blackwell of Pekin, 3rd Division commander. He is a U. S. Army veteran, having served from 1952 to 1955, and the first Post 51 member to hold state office.

The local state officer has been employed at Granite City Steel Co. for 16 years. He served as commander of the Amvets 51st Division in 1970 and the previous year held the dual role of commander of the 25th District and Amvets Post 51.

Clements was presented a gold life membership card last year by Post 51 and at the convention received a certificate for outstanding meritorious service. He now is first vice commander of the Quad-City post.

**Conkovich Honored**  
In other business at the state conference, Steve Conkovich, Amvets Post 51 and 5th Division public relations officer, was presented a gold statuette and named Amvets of the Year for Post 51. Walter Dickerson of Peoria earned the "Amvets of the Year" award.

More than 2,000 delegates attended the 3-day meeting, hosted by Amvets Post 64 of Peoria. Principal speakers in-

## GC Jaycees, Jayceettes Installed at Banquet

Bill Talley, 3801 Lake Drive, Granite City Steel Co. employee, was installed as president of the Granite City Jaycees at the chapter's annual installation, dinner-dance and awards night program.

The affair took place during the weekend at the Rose Bowl Restaurant with concurrent ceremonies conducted for incoming officials of the Granite City Jayceettes.

Mrs. Jeanie Kacera was installed as Jayceette president and also named "Jayceette of the Year" for her contributions to club activities. She succeeds as president, Mrs. Janet Partney.

Al Delay, a teacher at Venice-Lincoln Technical Center, was accorded top honors at the Jaycees' yearly dinner.

Delay, who also was installed as vice president, received the "Key Man Award" for outstanding service to the club and the "Outstanding Spark Plug Award" for 1970-71. The "Key Man Award" is the highest honor bestowed by the local chapter.

Earl Warnhoff, state director of the Granite City Jaycees and a state regional vice president, was honored as the "Jaycee of the Year."

**Special Awards**  
Other special awards presented by David Partney, the club's retiring president, went to Dick Mizell, who won the "Outstanding Spoke Award"; and Gary Davis, chairman of the "Committee of the Year" which was responsible for organizing the Jaycees first annual "Radio."

"Jaycee of the Month" awards were presented to Mike Garcia, Jan J. Langenstein, Mizell, Larry Patton, Delay, Ron Benthall and Dan Partney.

Presidential awards of honor were earned by Talley, Guy Cooper, Delay, Warnhoff and Richard Kacera, retiring vice president who also received a plaque of appreciation from Partney.

Talley, a former first vice president, who also has held several chairmanships in the local young men's service club, was installed by James Cook of Collinsville, a national Jaycee director for the Southwest Region. Illinois Jaycee President Stanley Sieron of Belleville, witnessed the installation ceremony.

Installed with Talley for 1971-72 were Al Delay and Ron Benthall, vice-presidents; Darrell Weible, treasurer; Dick Mizell, secretary; David Partney,

board chairman; and directors, Louise Aleman, Gerald Gawn, Robert Fry and Larry Patton. Jayceette officers installed with Mrs. Kacera were Mrs. Gloria Garcia, vice president; Mrs. Pat Aleman, secretary; Mrs. Ann Davis, treasurer; and Mrs. Partney, chairman of the Jayceette board of directors.

Mrs. Garcia was president of the "Jayceette of the Month Award."

Highlighting the party was the introduction of Miss Janice Albers, the newly crowned Miss Granite City, who made her first public appearance at the Jaycee banquet.

## GC Trash Pickups Day Later Due to Holiday

Milam Corp. East, contractor for trash collection in Granite City residential areas, will make its collections a day later than normal next week—Tuesday following Saturday instead of Monday through Friday.

"Because of the Fourth of July holiday, all routes will be serviced one day later than the regular pickup day," Vicks Manager Clyde Baker told the Press-Record. "The men will work from Tuesday through Saturday that week only, and we are asking families to place their containers out early."

## Cultural Center Show Today Through Sunday

The Bond County Art and Cultural Center, located at 236 S. 2nd St., Greenville, will hold a public showing today through Sunday, July 4.

Area artists wishing to join the gallery should write to Mrs. Robert Ambrose, 719 N. Elm St., Greenville, for information. The gallery accepts various media, including oils, watercolors, photography and sculpture.

Today and tomorrow, the gallery will be open from 9 a.m. to noon; 1 to 5 p.m. and from 6 to 8 p.m. The hours Saturday will be from 9 a.m. to noon and from 1 to 5 p.m., and on Sunday from 1 to 5 p.m. and 6 to 8 p.m.

### Theft from Doctor

A thief stole \$150 in checks and \$145 in currency from a bank bag in the office of Dr. J. E. Jaimet, 1420 E. 20th St., it was reported at 5:35 p.m. Tuesday. The checks were marked for deposit only. There was no sign of forced entry.

## Youth Focus

### Federal Service Exam Set July 10 at SIU-SW

The Federal Service Entrance Examination will be given at Southern Illinois University-Southwestern at 8:30 a.m. July 10 in the Peck Classroom Building, Room 206.

According to David R. Van Horn, director of Placement Services at SIU-SW, those wanting to take the test should inform his office as soon as possible. There are also preliminary forms to be completed and turned in prior to the examination date.

The July 10 testing will be the last Federal Service Entrance Examination given on campus until October.

### Next Teen Town Dance Scheduled for July 12

The YMCA Teen Town will resume its teenage dances on July 12 with "Ellas" scheduled to play from 8 to 11 p.m. in the gym. The Teen Town will have an open date on Monday, July 5, "Globe Theatre" will play the July 12 dance.

A change in policy for the dances will permit 19-year-olds to attend. All attending are to present identification cards verifying age and residence in the Quad-Cities.

**HAPPY STRING TOMMIES** of Granite City who will participate in the fifth annual Tamburitz Festival of the Croation Fraternal Union Junior Order over the Fourth of July weekend at Cleveland, Ohio.

### Happy String Tommies To Attend Festival

The Happy String Tommies of Granite City will attend the fifth annual Tamburitz Festival of the Croation Fraternal Union Junior Order over the Fourth of July weekend at Cleveland, Ohio.

The local group is under the direction of Mr. and Mrs. Ivan Lusick Jr. The musicians are members of CFU Lodge 22 at the Liberty National Home, 14th Street and Grand Ave.

The Tommies are the first group Lusick has taught. He has a second group and will begin a third in October.

Tommies to perform in Cleveland are David Klarich,

### Two Teachers Obtain State Fellowships

Miss Diane Marie Dochow and Mrs. Mary L. Hudson of Granite City are among 17 area teachers who have received fellowships from the Office of Public Instruction to pursue certification in special education at Southern Illinois University-Southwestern. The fellowships are for the summer quarter.

According to William R. Whiteside, chairman of the SIU-SW special education faculty, the fellowships pay for tuition and fees and cover only the special education areas dealing with the mentally retarded and the learning disorders.

### Table Recorder Stolen

Patrick Cline, 3128 Jill Ave., reported at 9:45 p.m. Tuesday that an eight-track stereo tape recorder was stolen from his 1969 auto at Worthen Park between 7 and 9:30 p.m.

**STEPHEN ROBERTSON**  
Summa Cum Laude

### Robertson Graduates With Highest Honors

Stephen R. Robertson, son of Mr. and Mrs. Donald R. Robertson Jr., 3141 Fehling Road, has graduated with summa cum laude (highest) honors at Northern Illinois University.

He received a bachelor of arts degree in sociology and had a cumulative grade-point average of 2.7 for four years. He maintained a straight 4.0 (all A's) average during his senior year.

He and his wife, Lois, will move to Michigan in late August. He has been accepted into the graduate division of the Institute of Labor and Industrial Relations at Michigan State University.

### WILSON PARK ESTATES DISPLAY HOMES OPEN DAILY

**MRS. RUSSELL W. HAMILTON**, the former Kathy Ann Kibort, daughter of Mr. and Mrs. Albert W. Kibort, 3341 Colgate Place, who was married June 26 at First United Presbyterian Church. The bridegroom's parents are Mr. and Mrs. Russell C. Hamilton of Route Two.

### Pre-Wedding Party for Miss Haas

Miss Helen Haas of Caseyville, who will be married to Ronald Britt of Madison, was guest of honor this week at a bridal shower given in the home of Mrs. Goldie Britt in Caseyville.

Miss Haas will become the bride of Mr. Britt in a ceremony to take place Aug. 13 at St. Stephen's Catholic Church in Caseyville.

Blue and white were the colors used in the appointments and the gift table held a miniature bride and groom center-piece.

Games were played and prizes were awarded to Thelma Skelly, Barbara Paskus and Marie Haas.

Others attending were Marcella Abranovich, Sheila Obrantovich, Evelyn Perkins, Sharon Earney, Pauline Cory, Velma Christian, Penny Karius, Daisy Adams, Delores Gasbo, Vandene Gusho, Sarah Perkins, Dorothy Shabo, Betty Gundac, Virginia Kitchen, Robin Keel, Beth Ann Earney, Jeanne Paskus, Debbie Britt and Mary Haas.

Her husband, Mr. Britt, is a member of the club and will be attending the club's 25th anniversary celebration on Monday night.

Announcement was made that the club will not meet July 5 but members are to weigh between 6 p.m. and 6:30 p.m. at the East Side Levee office.

Mrs. Phyllis Borer spoke on successful weight reduction methods, and Mrs. Sobolewski read a letter from Mrs. Crystal Grate, area supervisor, and a letter from the area captain, Mrs. Peggy Hackney, on a "fall rally" Oct. 23 at the Polish Hall, Madison. There will be a "Japanese tea garden," and Mrs. Mary Jo Akeman modeled a kimono she had made. The club decided to adopt the style as its uniform for the day, with each member responsible to provide a dress.

Closing prayer was offered by Mrs. Thelma Pryor.

### Mrs. Edna McKay Entertains Club

Mrs. Edna McKay, 2560 Madison Ave., was hostess at a covered dish luncheon Tuesday for members of the Past Noble Grand Club of Ann Rutledge Rebekah Lodge 47 in her home.

The meeting was opened with prayer and a brief business session was conducted by Mrs. Violet Kassebaum, president.

It was announced that Mrs. Helen Love, Lodge 47, noble grand, is a patient in Barnes Hospital. A card was sent to the members to send to the officer.

The afternoon was spent in playing pinochle and prizes went to Mrs. McKay, Mrs. Joyce Bailey, Mrs. Ann Kunemann and Mrs. Clara Harbig.

Others present were Mesdames Vera Schilling, Marvel C. Over, Carolyn Brockman, Irene Hendricks and Ethel Petri. Mrs. Petri will entertain the club at the next meeting July 27.

### Missionaries to Arrive July 9

The Ladies in Action group met at the Brimfield Pentecostal Church Tuesday evening to discuss plans for the arrival of missionaries from Jamaica on July 9. The women's group supports the missionaries with clothing and other necessary items.

Mrs. Dorothy Dickerson, president, presided and prayer was given by Mrs. Dorothy Parker. Reports from group officers were submitted during the business meeting.

Mrs. Lillian Barton reported on a visit made by members to the Anna Henry Nursing Home in Edwardsville. A new member, Mrs. Wanda Watson, was welcomed.

Refreshments were served by hostesses, Mrs. Dorothy Parker and Mrs. Phyllis Allen, to those named and to Mesdames Margaret Glasgow, Ann Hotton, Ruby Scott, Opal Orrell and Eva Smith.

### DISTRICT V TO SPONSOR SEPTEMBER FLOWER SHOW

A flower show will be held Sept. 28 at the Baptist Church in Edwardsville, according to an announcement by Mrs. H. C. Heber, director of District Five, Garden Clubs of Illinois Inc. Fourteen clubs in the district will be participating.

The show will be entitled "The Metro East Scene," and Mrs. B. J. Isell will serve as general chairman, assisted by Mrs. Carl Husemann and Mrs. William Klotz, schedule chairman. Further details are to be announced later.

### RIGHTS OF MAN TO BE SERVED TODAY

What are the rights of man? What is the source of liberty? These questions are to be explored at Christian Science Church services Sunday in a lesson-sermon entitled "God."

Scriptural passages include the insight: "Now the Lord is that Spirit; and where the Spirit of the Lord is, there is liberty."

Services at First Church of Christ, Scientist, 2560 Delmar Ave., begin at 10:45 a.m. All are welcome.

## Bill's Auto Takes 30-9 Park Game

Sammy's Tavern was crushed 30-9 under the big bats of Bill's Auto Body in Women's Class A action Wednesday, at Wilson Park.

Debbie Sparks set the pace with two home runs and Eileen Bodi and Carol Volkmar each blasted a circuit blow for Bill's who tallied 38 hits compared to Sammy's 17.

Jacobsmeyer's shut out the Madison Fire Dept. 11-0 with 22 hits, while Madison garnered 11.

Triples were in order as Mary Uramand and pitcher Kathy Ridenour each tagged one for Jalo's and Cindy Donaldson tripled for Madison. Kathy Yurek homered for Jacobsmeyer's.

Becerra's behind 5-3, in the top of the fourth, had a four-run rally to win 7-5 over Kirby's Classic on 14 hits. Kirby managed 12 safeties.

Davis Federal Home, in Classic Eastern action at Worthen Park Wednesday night, racked up 22 hits to beat Keith's Lounge 21-6. Keith's tallied 13 hits and committed five errors.

Blasting circuit breakers for Davis were Don Holland, Eugene Hudson and Bill Haddis.

In other Classic Eastern play Wednesday, Miles Lab defeated Kuberski Excavating 18-11. Miles out hit Kuberski 24-11, and Kuberski committed eight errors to five for Miles.

In Betweens stopped Hook's 12-4. Hook's was plagued with nine errors, and Inn Between committed three.

## Old Timers Game Set

"They expect a few aching muscles and sore backs, but they are all game," said Harold Brown, Granite City superintendent of parks, said today in announcing that a group of men who played baseball together more than two decades ago will battle each other in a reunion game at 8 p.m. Saturday.

Performing in the Fourth of July "Old Timers Game" at Diamond No. 8 in Wilson Park will be men who competed against each other 22 years ago as members of the Granite City Pals and American Legion squads.

One or two of the players were with teams that succeeded the original squads. Brown noted. The park official will manage his "old" team, the "Pals," while Jack Scarborough will direct the opposing squad.

The line-ups will include Sam Whitmer, Paul Schuler, Gene Grace, Van Dee Cruse, Carl Harrison, Leo and Ed Harrison, Rudy Diak, Bud Caffrey, Julian Lipson, Russ Cripe, Conrad "Babe" Champion, Mildard "Boots" Schwendmann, Nelson Hagmann, Neil Melton, Al Kacera, Paul Palchick and Thompson, Al Hoelter, Roger

## 10 Teams Enter GC Park Meet Over Holidays

First round games in the Granite City Park District's July 4th Men's Slow Pitch Invitational Tournament are scheduled to open Saturday at Worthen Park.

Openers are Jacobsmeyer's Rebels-Murlock Fallstaff at 1 p.m., Clark Hardfacing-Andria's Liquor at 2 p.m. and Keith's Lounge-Hook's at 3 p.m.

Second round games will be played Sunday beginning at 6 p.m. The games will begin on the hour with the last starting at 9 p.m.

Two Monday games will be played at 1 and 2 p.m. Eastern time, with the last game at 7 p.m. The winners of the Monday afternoon games will play the championship game at 8 p.m.

Regional competition will begin Saturday and will continue through Thursday. The area skaters will be competing in regional roller skating competition at Oaklawn, Ill., this weekend.

## Old Timers Game Set

"They expect a few aching muscles and sore backs, but they are all game," said Harold Brown, Granite City superintendent of parks, said today in announcing that a group of men who played baseball together more than two decades ago will battle each other in a reunion game at 8 p.m. Saturday.

Performing in the Fourth of July "Old Timers Game" at Diamond No. 8 in Wilson Park will be men who competed against each other 22 years ago as members of the Granite City Pals and American Legion squads.

One or two of the players were with teams that succeeded the original squads. Brown noted. The park official will manage his "old" team, the "Pals," while Jack Scarborough will direct the opposing squad.

The line-ups will include Sam Whitmer, Paul Schuler, Gene Grace, Van Dee Cruse, Carl Harrison, Leo and Ed Harrison, Rudy Diak, Bud Caffrey, Julian Lipson, Russ Cripe, Conrad "Babe" Champion, Mildard "Boots" Schwendmann, Nelson Hagmann, Neil Melton, Al Kacera, Paul Palchick and Thompson, Al Hoelter, Roger

**CELEBRATE ANNIVERSARY.** Mr. and Mrs. Worcell Langford, who observed their golden wedding anniversary at their home in Madison.

**Langfords Mark 50th  
Wedding Anniversary**

Mr. and Mrs. Worcell Langford were feted at an open house reception at their home, 208 Steen St., Madison, this week in honor of 50 years of marriage.

The reception, given by the couple's children, was followed by a family meal at the home of Mr. and Mrs. Keller (Evelyn) Rongey, 134 Sixth St., Madison, a son-in-law and daughter.

Mr. and Mrs. Langford were married June 3, 1921, in Paris, Tenn. They have five children, Mrs. Rongey; Mrs. Martin (Marcella) Rick of Belleville;

Mrs. Ted (Dorothy) Toth, and Ronnie Langford of Granite City; and Winford Langford of Santa Maria, Calif. Another son, Jackie L. Langford, is deceased. There are also 21 grandchildren and 12 great-grandchildren.

Among the guests attending the celebration were the Rev. and Mrs. Vernon Covington, pastor of Emmanuel Baptist Church in Granite City where the Langfords are members; Mr. and Mrs. Max Musgrave of Alton; Mr. and Mrs. Donald Aldridge of Madison and Mrs. Jenny Rongey of Granite City.

**Janice Stucke is Shower Honoree**

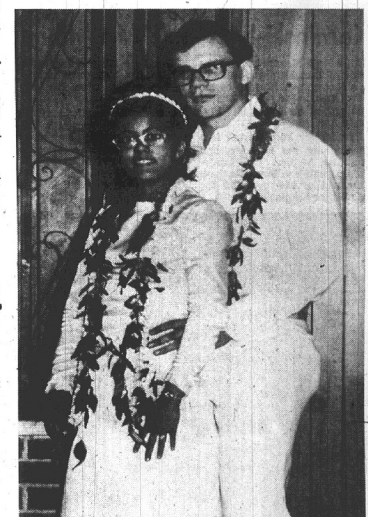

Miss Janice Lee Stucke, a bride-elect, was guest of honor this week at a miscellaneous shower given in the Fellowship Hall of St. Peter United Church of Christ by Mrs. Toby Worthen, Mrs. Joyce Hellrich, Mrs. Carole Pashea and Mrs. Ola Vee Nix.

Miss Stucke, a daughter of Mr. and Mrs. Donald Stucke, 1613 Clark Ave., will be married to Steven Lee Hamilton, whose parents are Mr. and Mrs. William Hamilton of Angela Drive. The ceremony will take place July 17 at St. Elizabeth Catholic Church.

The tables, covered with white cloths, held baskets of daisies and daisies were used throughout all of the appointments.

Miss Beth Gabriel, who is to be a bridesmaid at the wedding, assisted the bride-to-be in opening the gifts.

Others present were the mothers of the prospective bride and groom, and Mesdames Mary Tarpoff, Loretta Wertsch, Vera Jones, Linda Walmsley, Frank Traus, Gerry Jackson, Mamie Hunter, Marie Lombardi, Dorothy Strayoff, Vivian Simpson, Edith Ryan, Helen Homan, Neva Werthen, Aileen Smith, Ann Gasparovic, Evelyn Ferro, Hulda Davis and Judy McClew, and Misses Melinda Nix and Beth Gabriel.

**MR. AND MRS. MICHAEL D. HARPER.** who were married June 26 at St. Mary's Roman Catholic Church in Madison. The bride is the former Jocelyn Ann Pingel, a daughter of Mr. and Mrs. Joseph J. Pingel, 907 Greenwood St., Madison. Mr. Harper's parents are Mr. and Mrs. Milton J. Robbers, 1327 Iowa St. An Hawaiian atmosphere prevailed in the wedding arrangements as the mother of the bride attended many Hawaiian weddings while living in the Islands.

**GOLDEN WEDDING.** Mr. and Mrs. George W. Stearns, 1 Terrace Lane, who observed the 50th anniversary of their marriage at a family reunion in their home the past weekend.

## Mr., Mrs. Stearns Mark Golden Anniversary

Mr. and Mrs. George W. Stearns, 1 Terrace Lane, observed their 50th wedding anniversary over the weekend at a family reunion in their home. They were married in Dubuque, Iowa in 1921 at a Methodist Church and resided in St. Louis while Mr. Stearns attended St. Louis University where he studied commerce and finance. He is a former realtor with the Maryland Real Estate Co.

A buffet dinner and a brunch were served before the guests

left for their respective homes early in the week.

Attending the reunion was son and daughter-in-law, Mr. and Mrs. Charles Stearns and sons, Charles Jr., and George II, of Houston, Tex.; Mr. and Mrs. Maynard Stearns of Clearwater, Neb., a son-in-law and daughter of the latter couple; Mr. and Mrs. Bob Mason and two young sons of DeKalb, Ill.; a granddaughter, Mrs. Randy Phillips, and Mr. Phillips of Columbia, Mo., and a great-grandchild, Jason.

**MRS. THOMAS W. McILVOY.** Her wedding took place Saturday at St. Mary's Catholic Church in Madison. A daughter of Mr. and Mrs. Nick Sasyk, 1425 Madison Ave., she is the former Joan Marie Sasyk.

## McIlvoy-Sasyk Nuptials At St. Mary's Church

An early summer wedding took place June 26 at two o'clock as Miss Joan Marie Sasyk, daughter of Mr. and Mrs. Nick Sasyk, 1425 Madison Ave., and Thomas Wayne McIlvoy, son of Mr. and Mrs. Wendell McIlvoy, 62 Riviera Drive, were married at St. Mary's Roman Catholic Church, Madison.

The Rev. Sylvester Mick, O.F.M., heard the vows of the young couple.

The church was decorated with large white gladioli, tinted pink mums and greenery. The aisles were marked with tulips and greenery.

Songs for the wedding were "Love Theme from Romeo and Juliet," "Ave Maria" and "On This Day O Beautiful Mother."

Mr. Sasyk escorted his daughter down the white-carpeted aisle, giving her in marriage.

She chose a pure white imported chiffon gown, fashioned with an Empire bodice of Venice lace motifs etched with pearls and beads, and a high neckline. Lace extended along the tops of the long full sleeves.

White satin ribbon encircled the waistline, with a soft back bow and streamers accenting the long sweeping train. A triple-tiered veil of floor length was secured by a lace headpiece.

She carried white roses intermingled with bridal pink roses and white Elegance carnations with streamers.

Miss Jane Sasyk, twin sister of the bride, was maid of honor. Bridesmaids were Carol Sasyk, also a sister of the bride, Debbie Woodson and Karen Sasyk, both cousins of the bride, and Sandy Boshkoff.

The groom's sister, Wendy McIlvoy, was flower girl. Keith McIlvoy, nephew of the groom, served as ring bearer.

The bridesmaids were dressed identically in printed pink chiffon featuring high ruffled necklines and long sleeves. Small

covered buttons were placed on the bodices. Darker ribbon encircled the waistlines and there were front soft bows and streamers. Picture hats of matching color were worn.

The flower girl was dressed like the attendants with the exception of the picture hat; she wore ribbons in her hair. Her basket was filled with rose petals.

The bridesmaids carried bouquets of roses, pink Elegance carnations and orchid aster intermingled with yellow statice and pink roses.

Richard Zeller was best man. Groomsmen were Kevin McIlvoy, brother of the groom, Bill Williams, cousin of the bride, Mike Friedrich and Bryant Welch. The guests were seated by David McIlvoy, brother of the groom, and Dennis Hall.

The bride attended local schools and is a 1970 graduate of Granite City High School. She is attending SIU-SW, majoring in accounting.

The groom, also a graduate of Granite City High School, graduated from the University of Illinois and is employed as an accountant in St. Louis.

The mother of the bride chose an aqua dress with lace coat and matching accessories. Mrs. McIlvoy, the groom's mother, was attired in a yellow dress with lace trim and matching accessories. Each mother wore a corsage of spring flowers.

Miss Jody Woodson, cousin of the bride, and Miss Justice O'Beir presided over the guest book.

Out-of-town guests included Mr. and Mrs. Frank Doolittle, Detroit, Mich., Mr. and Mrs. Bill Allen and daughter, Independence, Mo., and Mr. and Mrs. David McIlvoy of Michigan.

A reception was held during the evening hours at the former Madison Bowling Lanes.

## PTA Assails Flammable Pajamas for Children

The possibility that flammable children's pajamas will be left on the market by the U. S. Department of Commerce has drawn sharp criticism from the National PTA.

In a call for immediate action to all state PTA chairmen for legislation, the National PTA has protested anything less than sharp criticism from the federal government.

Under a 1967 law, the Department of Commerce is responsible for deciding what textile products should be flame-retardant and, for setting appropriate standards.

On Jan. 24, 1970, the department proposed a flammability standard for children's nightwear, underwear and dresses, sizes 6X and under. On Nov. 17, 1970, that proposed standard was eased to cover sleepwear only.

"It now appears that flammable children's pajamas would be left on the market, although they would carry a label warning of the danger," reports Mrs. Walter G. Kimmel, National

PTA coordinator of legislative activity.

"The warning label approach would be a weakening of earlier recommendations that flammable sleepwear be banned from the market."

The relaxed labeling alternative will be recommended shortly to Commerce Secretary Maurice H. Stans, who must make the final decision.

Backing up the National PTA position, a member of the Commerce Department's Flammable Fabrics Advisory Committee has said, "Labeling is a second and very bad alternative to a firm flammability standard."

In a recent communication to the state PTA legislative chairmen, Mrs. Kimmel has asked that each chairman contact not only Secretary Stans, but also his congressional representatives.

"Urge them to exert whatever pressure possible upon the Secretary of Commerce to carry out the intent of the law to protect the public—particularly children—against flammable fabrics," he emphasized.

## Kaminski-Mercer Wedding

Miss Ruth Mercer became the bride of Tom Kaminski June 26 in a ceremony performed by the Rev. Austin Fisher, a Baptist minister, at his home, 1616 Ferguson Ave.

The former Miss Mercer is a daughter of the late Mr. and Mrs. Carl Mercer, Mr. Kaminski's parents are Mrs. Elizabeth Kaminski of Madison and the late Walter Kaminski.

Miss June Mercer and Glenn Kaminski, a sister and brother of the couple, were the only attendants.

A reception was held at the Round Table Restaurant in Collinsville, and the wedding party was entertained at a luncheon by Mr. and Mrs. Glenn Mercer in Edwardsville.

The newlyweds will live at 2508 E. 28th St.

## Couple Wed in 1907 to Celebrate

Mr. and Mrs. Joe Garlik, 2405 Washington Ave., will celebrate their 64th wedding anniversary at a family party and get-together July 4 at the home of a son-in-law and daughter, Mr. and Mrs. James (Helen) Lipchik, 2121 Garfield Ave.

The couple was married July 4, 1907, in Neodasha, Kans. They have resided in Granite

City since 1921 and before retiring Mr. Garlik was employed by the Granite City Steel Co., and the Army Depot.

The Garlicks have two other children, Louis Garlik of Cedar Hill, Mo., and Walter Garlik of Ferguson. There are also six grandchildren and nine great-grandchildren.

**64 YEARS MARRIED.** Mr. and Mrs. Joe Garlik, 2405 Washington Ave., who will observe their 64th wedding anniversary July 4 at a family reunion. The couple was wed July 4, 1907, in Neodasha, Kans. They resided here for 50 years.

## New American Postal Workers Union a Reality as U. S. Service Changes

The new American Postal Workers Union, AFL-CIO, becomes a reality here today, the same day that the new U. S. Postal Service comes into existence.

The APWU will be the largest postal trade union in the world, embracing more than 300,000 members of five existing unions in the Post Office Department.

Ken Morton, President of Local 182 of the United Federation of Postal Clerks, AFL-CIO, said creation of one big postal union was ratified by nearly 96% of the members of the five unions in a nationwide referendum last month.

The 65-year-old United Federation of Postal Clerks spearheaded the merger during a campaign that started more

than a decade ago, Morton said. But the upcoming changes in postal management clearly spurred union members into final action.

"The management revolution setting up a semi-corporate postal service," he added, "required a union revolution to match it. For organized postal employees, the status quo would have been economic suicide."

**Voted Accordingly**

"Five or six fragmented postal unions working at cross purposes could not begin to meet the challenge of change—and postal employees across the country recognized that fact and voted accordingly."

In the Federation ranks alone, Morton said, more than 95% voted in favor of merger

and more than 70% of the total membership actually mailed in ballots.

The four other unions which have merged with the Federation into a single new union, he said, are: The National Postal Union, the National Association of Post Office and General Service Maintenance Employees, the National Federation of Post Office Motor Vehicle Employees and the National Association of Special Delivery Messengers.

Morton said that merger discussions in Washington are continuing with the National Association of Letter Carriers, the largest of the remaining postal unions still retaining their old craft identity.

### Man, 25, Beaten with Ball Bat, Injured

Gary Robertson, 25, of 2109a Benton St., suffered a possible ruptured spleen and internal bleeding when he reportedly was beaten by a man with a ball bat, it was reported at 8:40 p.m. Monday.

He was taken to St. Elizabeth Hospital for treatment. Police are seeking the assailant.

### Tire, Wheel Stolen

The lock was punched out of the trunk of the 1971 auto of Fred Trutschuh, 2501 Sheridan Ave., and a spare tire and wheel valued at \$50 were stolen, he reported this week. He said the theft may have occurred in St. Louis.

### Radio Stolen

Andy W. Webb, 1544 Seventh St., Madison, told police at 4 p.m. Monday that a portable radio was taken from his house during the afternoon.

## Mayor Proclaims Sunday As 'Honor America Day'

A proclamation declaring Sunday, July 4, as "Honor America Day" was issued today by Granite City Mayor Donald Partney who called upon all residents of the community, organizations, churches and lay groups "to recognize this special day through appropriate programs."

The mayor said in the proclamation: "Whereas, our great nation today is involved with and confronted with the most critical, most difficult and most perplexing problems, both foreign and domestic, in its proud and independent history; and

American public about its heritage and history and to commemorate the 150th anniversary of the United States Independence; and

"Whereas, the idea of reverence for a Supreme Being is an important part of the nation's development since its founding, and it is especially significant since America is a nation of many religions; and

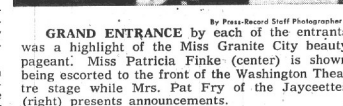

"Whereas, the ringing of bells in churches and other public places will be at 12 noon, Sunday, July 4, 1971, and one full minute of bell ringing will be staged city-wide in observance of the birth of these United States; and

"Whereas, it is the opinion of this office that this activity should be recognized as an effort to unite Americans at a time when our patriotism and respect for the nation's purposes should be encouraged by all responsible citizens."

"Therefore, by virtue of the powers vested in this office, I, Donald Partney, Mayor of Granite City, Illinois do hereby proclaim Sunday, July 4, 1971 as "Honor America Day," and call upon all citizens, organizations, churches, and lay groups to recognize this special day through appropriate programs."

## Free Press Is Essential to Have Other Freedoms-Percy

U. S. Senator Charles H. Percy, (R, Ill.) this week announced his sponsorship of the Newsman's Privilege Act of 1971 and pledged to work for its passage in the Senate.

The bill provides that newsmen will not be required by any court, grand jury, agency, department or commission of the United States, or by either house of Congress, to disclose any confidential information obtained by them in their capacity as newsmen. It further provides that newsmen cannot be required to disclose the source of any information received in a professional capacity.

Under the proposal, a newsmen's privilege to maintain the confidentiality of his news source is subject to three qualifications:

1. The privilege would not apply to the source of alleged defamatory information in a case where the defendant, in a civil action for defamation, asserts a defense based upon the source of such information.
2. It would not apply to the source of details of any grand jury or other proceeding required to be secret under federal laws.
3. The bill establishes procedures for divesting the privilege when there is substantial evidence that disclosure of information held confidential is required to prevent a threat to human life, of espionage or of foreign aggression.

**Founders Were Farsighted**

"I believe the United States has the freest and most objective news media in the world," Sen. Percy said. "One reason for that is the foresight of the founding fathers, when they wrote the First Amendment to the Constitution. 'Congress shall make no law abridging the freedom of speech, or of the press.'"

"In order to perform their function of disseminating information, reporters must have the opportunity to collect that information with some degree of confidentiality. 'Unreasonable interference with the collection of newsworthy information is absolutely contrary to the concept of a free and democratic press.'"

"I do not believe the press is perfect," Percy continued. "It makes mistakes. I do believe, however, that if an issue reaches the public, the truth will eventually be sifted out."

"If the news is suppressed and newsmen are subjected to governmental intimidation, the public may remain uninformed and powerless to make its own judgments. The right to make one's own decisions is essential in a democracy."

**Tank Car Fire**

Venice firemen were called to Hyman Michaels Co., at 9:55 a.m. Monday to extinguish a tank car fire. Workmen had been cutting the car apart with torches when the insulation caught fire. Firemen were at the scene one hour.

**Arrested in Liquor Store**

Winifred Stanfill, 45, of 138 Broadway, Venice, was arrested in a Venice package liquor store Monday and charged with disorderly conduct for allegedly using profane language to a clerk. He was released on \$25 bond.

## Mrs. Elsie Kurman, 70, Former Resident, Dies

Mrs. Elsie Kurman, 70, of Jackson, Tenn., formerly of Granite City, died Monday night in a hospital in Jackson, following an illness of several months.

Born in St. Louis she came to Granite City as a child and was raised by Mr. and Mrs. John Kleinschmidt who lived on Waterman Avenue in Maryland Place. They later moved to Jackson, Tenn., where Mrs. Kleinschmidt still resides.

Mrs. Kurman lived in this area all her life until 10 years ago when she moved to Jackson. Her husband, Joseph Kurman, preceded her in death in 1958.

Mrs. Kurman was an active member of the Concordia Lutheran Church of Jackson.

Survivors include her mother, Mrs. Kleinschmidt of Jackson, Tenn.; and two sisters, Mrs. Joseph Heyer of Memphis, Tenn. and Mrs. Clay Simpkins of Jackson, Tenn.

Funeral services will be conducted at 10 a.m. today, in Jackson, Tenn. with burial in Memorial Park Cemetery, Memphis, Tenn.

Things have really started happening since Monday! Painting in the front end is nearly complete and the new Drop Ceiling over 75% of the store is well on its way to being up.

You know, a lot of the work being done will not be visible to the customer but some of it will add much to the atmosphere and beauty of our store. Some of these are...

1. The new ceiling which will brighten the store considerably.
2. A completely new Dairy Products and Ice Cream Dept. which will be the most modern and beautiful in the area.
3. New store decorations and aisle markers which should arrive by the end of the week.

So, you see, some good may come of our misfortune — a new and beautiful store for you!

personnel, principals, teachers and former teachers of the local school district.

More than 75 persons enjoyed a buffet dinner and social evening, including Miss Eleanor Waddington of Little Rock, Ark., and Mrs. June VonGrutten, both of whom taught at Marshall Grade School prior to their retirement, and Mrs. Ruth Higgins, the honoree's sister.

Granite City Supt. of Schools B. J. Davis served as master of ceremonies, recalling the numerous achievements accomplished by Miss Hopkins over the past four decades.

In behalf of the administrators and principals, the superintendent presented the guest of honor with a "Certificate of Recognition and Appreciation," and initiated gold pin and a gift certificate.

She progressed from teacher to head teacher and then to the post of teaching principal. On Jan. 10, 1955, Miss Hopkins was appointed by the Board of Education as a full-time principal, a position she has retained for 16 years.

The attractive, soft-spoken educator is noted for having encouraged her teaching staff to use innovative techniques in classroom instruction.

## Former GC Resident is Married in California

Announcements have been received here of the recent wedding in California of Miss Barbara A. Bucknall of Westminster, and James L. Chandler Jr., of Long Beach, formerly of Granite City.

The bride is a daughter of Mrs. Rankin M. Tyson and the late Robert Bucknall. Mr. Chandler's parents are Mr. and Mrs. James M. Chandler Sr.

The ceremony took place at the United Methodist Church in Westminster and a reception was held afterward at the church with Miss Patricia Chandler, the bridegroom's sister, in charge of the guest book.

A traditional white gown was worn by the bride. It featured a Y-neck and long tapered sleeves. The neck was trimmed with lace and seed pearls and the same lace and pearl trim edged the bottom of the skirt. White lace and seed pearls applied to the bodice and the veil and she carried a bouquet of yellow and white daisies.

Mrs. Budd Hughes, a sister of the bride, was matron of honor, and Miss Judith Dyer was bridesmaid. They wore gowns of blue and green with matching head pieces and carried daisy bouquets.

Ronald Lindemann was best man, and Kendall A. Chandler, a brother of the bridegroom, Stephen Smith and John Uebele served as groomsmen and ushers.

The former Miss Bucknall is a graduate of Bolsa Grande High School. Mr. Chandler graduated from Millikan High School and Long Beach City College.

After a brief honeymoon in San Francisco the newlyweds will reside in Huntington Beach, Calif.

Special guests at the wedding were the bridegroom's grandparents, Mr. and Mrs. Frank E. Ahlers of Granite City.

## Park Setting for Prayer Meeting

The Mission Prayer Group of the First Baptist Church met Tuesday morning at Wilson Park. Mrs. Pauline Harty gave the opening and special prayers for the missionaries and read the birthdays for the week.

Mrs. Iva Olive offered the devotional, "Viewpoints of Life," taken from the 1st Psalm.

The group prepared "get well" cards for people who live in the area, as well as in other parts of the country.

Also attending were Mrs. Fern Affolter and Mrs. Wilma Hudson. The group will next meet at 10 a.m. Tuesday at Wilson Park.

## SERVICEMAN AND FAMILY ATTEND REUNION PARTY

Mr. and Mrs. Harry V. Miller, 2123 Edison Ave., had as their guest this week corporal Marvin V. Miller who is stationed at Camp Lejeune, N. C. The serviceman is on a 10-day furlough.

Cpl. Miller and the former Diane Clemons, 2929 National Ave., were married June 17 at the Second Baptist Church.

While on leave, the serviceman, accompanied by his parents and wife, visited a sister, Mrs. Grace Raychel of West Union, Ill., and the Jesse J. Housen family in Grayville, Ill. They also motored to Cairo and Poplar Bluff, for a family reunion with Cpl. Miller's four brothers, Harry, Guy, Glenn and their families.

MR. AND MRS. JAMES L. CHANDLER JR. Their wedding took place in California June 19. The bridegroom is a former Granite Cityan.

## 19 Area Skaters Win Awards in Tourney

Nineteen young members of the Stardust Skating Club, 3008 Lake Drive, have qualified to participate in a regional roller skating tournament opening tomorrow at the Oakland Roller Rink in Chicago and continuing through Monday.

The 19 youngsters placed in various classes of an Illinois-Wisconsin skating competition at the Trio Roller Rink in Milan, Ill., ending last week. All skaters winning prize positions at the Milan tourney are qualified for the regional events at Chicago.

In the Illinois-Wisconsin competition, which attracted approximately 350 entries, participants from the Quad-City areas and their awards included:

Hal Rice, first place in freshmen men's figure skating; Bryan Smith, first place in juvenile freshmen figure skating.

Robyn Sue Johnson and Thomas Kevin Hansen placed second in the juvenile freshman dance division in the championship class.

Second place winners were Bob Barboro, Esquire Figure Skating; Sam St. Clair, juvenile boys; Ron Beilstein, junior boys; and a juvenile boys relay comprising Chris Goddy, Wally Staico, Mark Hammons and Dan McNew.

Those winning third place awards were Hal Rice and Donna Gann, free dance; Bob and Flo Barboro, esquire dance, adults; Lori McNew, juvenile girls; and Mark Hammons, juvenile boys.

Fourth place went to Chris Barboro, juvenile girls singles; Stanley Geabes, intermediate men; Don McNew, juvenile B boys; Sam St. Clair, juvenile C boys.

Miss Johnson and Thomas Hansen are the students of Mrs. Carmen Dickerson at the local skating center and started skating as partners in March but this was their first attempt in state competition.

## SIU Foundation Gives \$18,000 to Students

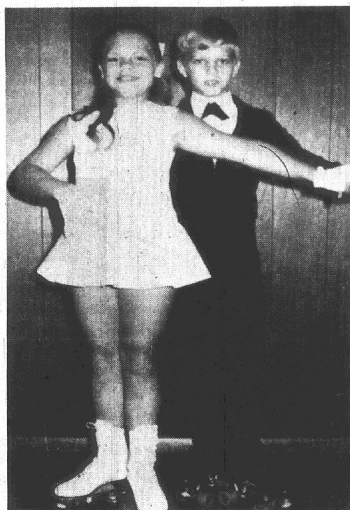

More than \$18,000 was dispersed as scholarships and awards to 90 Southern Illinois University students at the Carbondale and Southern Illinois campuses by the SIU Foundation during its fiscal year ending March 31, according to Treasurer Robert L. Galleghy.

In addition, the foundation issued loans during that period totaling \$68,374.

These financial aids came from more than 50 funds contributed by friends of the university or as memorials to deceased faculty or students. Several such funds are earmarked by the foundation itself.

Gifts to the foundation during the 12-month period amounted to \$263,324, including \$169,610 in non-cash contributions, Galleghy said. A substantial portion of this total represented support for scholarship and loan funds.

A number of the scholarship and loan funds are supported by stable endowments, from which the interest provides annual awards, he added.

**SILVER MEDAL WINNERS** who won a second place in the juvenile freshman dance competition at the Illinois-Wisconsin Roller Skating Championship held at Milan, Ill., are Robyn Sue Johnson and Thomas Kevin Hansen.

## Industries Aid EIU In Setting New Courses

Three new courses in power technology will be offered as planned this fall at Eastern Illinois University—thanks to the generosity of a number of industrial firms.

The Department of Industrial Arts-Education in the School of Industrial Arts and Technology had the courses all set to go except for one indispensable item—equipment for the labs. When tightened budgets precluded purchase of the necessary engines, Tiny Schwalter, an instructor in the Department, called upon his background in industry and started contacting the firms. The response was magnificent.

## Moore Graduates, to Join Christ Crusade

Terry M. Moore, son of Mr. and Mrs. George E. Moore Sr., 1929 St. Clair Ave., has received a bachelor of arts degree in commencement exercises at the University of Missouri.

He majored in English and was a two-year football letterman. He was a leader in the Youth for Christ movement, being in both the Fellowship or Christian Athletes and in the Campus Crusade or Christ. Moore and his wife, Susan, are preparing to become staff members for Campus Crusade for Christ at Arrowhead Springs, Calif., and will be assigned to a college or high school in the fall.

## Institute on Gifted Begins at McKendree

A summer institute approved by the Advisory Council on the Education of Gifted Children is under way at McKendree College through July 9.

It is held in cooperation with the Office of the Superintendent of Public Instruction and supported by a grant through the gifted program development section.

Ray Grinter, supervisor Region V for Gifted Children, is director of the institute. Associate directors are Richard Brinkhoff of Granite City, Robert Stanish of Edwardsville and Beverly Varty of Signal Hill.

## Roca Club to Hold Work Day on July 10

The Roca Young Men's Club is planning a work day project on July 10 with members to be available for hire.

Tickets at \$2 will provide the employer with two members for one hour of work for any old jobs. The club also is planning a car wash on Saturday at 20th Street and Madison Avenue. The cost is \$1.50 per car. New members, Rick Gaines, Pete Krieschok and Chuck Morris are to be initiated today. The club also is planning its annual canoe trip in August.

### Shoots Self in Leg

David K. Smith, 18, of 3226 Westchester Drive, was shot accidentally in the right leg while at target practice a mile north of Interstate 270 off of Route 3. It was reported this week. A .38 caliber pistol went off as he removed it from a holster. He was admitted to St. Elizabeth Hospital.

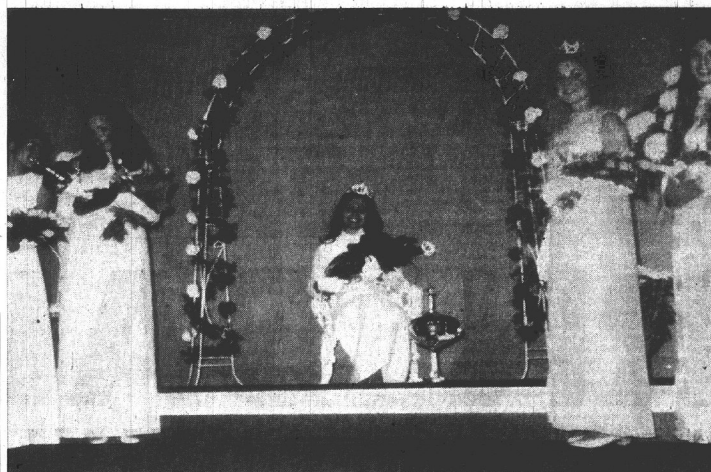

### Steal Air Conditioners

Two window air conditioners valued at \$350 were stolen from the home of Earl Cates, 1609 Union St., he reported to Madison County authorities this week. Entry was gained through a dining room window.

### Baker Heads Selection Of Development Leader

Chester L. Baker, president of the Tri-City Printing Co. of Granite City and the first president of the Illinois Metro East Corp., has been elected chairman of the selection committee for an executive director of the industrial development corporation.

The selection committee, composed of 13 members of the corporation, has established general areas of responsibility, including development of industrial contacts, working with industrial prospects, area unification, representation of the Illinois Metro East at various functions and research into opportunities available in the multi-county area.

AFTER THE CORONATION. The 1971 Miss Granite City, Miss Janice Albers, is shown seated with her crown, flowers and trophy. Standing (left to right) are Misses Donna Ferro and Beverly Hen-

derson, contestants; Miss Ruth Ann Diak, retiring Miss Granite City; and Miss Anita Rozycki, a 1971 contender.

### Navy Will Cachet Apollo 15 Covers

Manned Spacecraft Recovery Forces of the U. S. Navy will provide commemorative cachet and cancellation services for the Apollo 15 manned flight to the moon July 26.

Philatelic coordinators designated for the Atlantic and Pacific Fleet Recovery Forces (Task Forces 140 and 130) will receive all such covers and make distribution to assigned recovery ships.

To permit adequate time for handling of covers, collectors should send pre-stamped, self-addressed envelopes to the appropriate coordinator at least three weeks prior to the scheduled launch date for the mission.

Collectors should check with their local post office regarding applicable rates. For the launch of Apollo 15, covers should be received this week.

In accordance with postal regulations, only United States postage may be used on covers submitted. Postage of stamps of other countries or the United Nations cannot be used. Cash, money orders or checks in lieu of postage cannot be accepted. It is requested that collectors furnish standard size covers, 3 1/2 by 6 1/2 inches, with a filler inserted to simplify handling.

When more than the authorized numbers of covers is received, they will be returned unprocessed. Covers received too late for distribution to recovery force units will also be returned unprocessed.

Addresses for the Atlantic and Pacific area coordinators are: Apollo 15 Covers, Task Force 140, Naval Air Station, Norfolk, Va. 23511 and Chief-in-Charge (Apollo 15), Task Force 130, Navy Terminal Post Office, Fleet Post Office, San Francisco, Calif. 94610.

### Scott Wins Refund In Lightning Rod Scheme

Attorney General William J. Scott's Consumer Protection Division has returned \$3,400 to four persons who became victims of a fraudulent lightning rod scheme.

This was in addition to a \$3,600 hoax involving a Mercer County farmer earlier. Glen Norton Ledbetter, his son, Glen Leroy, and the elder Ledbetter's brother, William Joseph (Billy Joe) all pleaded guilty to charges of theft by deception of over \$500 and agreed to return money fraudulently extracted from their customers.

Mrs. Beulah King of Harrisburg received a check for \$550. Iva McCabe of Stonefort \$200, Grote Brothers of Hoytton \$1,150 and Fern Tolin of Columbia received a check for \$150. Miss Tolin had issued another check in the amount of \$500 which had not yet been cashed.

Legal proceedings are pending against another individual accused of fraudulent tactics. Scott's office noted the importance of cooperation being received from county officials as well as state police in apprehending and prosecuting this type of businessman and urged all persons to be wary of doing business with itinerate sales personnel.

The Attorney General's office counsels Illinois citizens to do business with local concerns with whom they are familiar and which are established in their area.

### Carbondale CPA Named On U. S. Tax Charge

Donald B. Mackay, U. S. Attorney, announced Tuesday that a two-count criminal information has been filed in United States District Court in Springfield, before U. S. District Judge Omer Poos, against J. William Cundiff, a 33-year old CPA, attorney, and assistant professor at SIU, Carbondale. Jay G. Philpott, district director of Internal Revenue Service for Central and Eastern Illinois, said Cundiff was charged with willful failure to file income tax returns for the years 1963 and 1966 in violation of Section 7203 of the Internal Revenue Code.

The criminal information charged that during these two years Cundiff had an aggregate gross income of \$43,076.53. Mr. Cundiff, upon conviction of these charges, could be fined not more than \$10,000 or imprisoned not more than one year, or both, on each count. In addition, Mr. Cundiff is liable for any unpaid taxes, plus penalties and interest.

## Holiday Activities Set At DuQuoin Fairgrounds

The "minis" are taking over all over the world — including the Du Quoin State Fairgrounds where this week's activities somewhat resemble a mini fair. It all started Tuesday night when "The Spurlows," an 18-member group of talented young people, entertained members of the communications media.

"The Spurlows" also are being featured in "Young America Days" activities scheduled to run yesterday through Friday, July 2, at the DuQuoin Fairgrounds.

In addition to nightly dances and stage shows presented especially for young people by the Michigan-based group, an all-Southern Illinois talent show is being conducted for any entrant between 14 and 21 years of age. And, it still is too late to enter the competition for a first place prize of \$50.

The tempo picks up considerably Saturday and Sunday, July 3 and 4, when second annual "old-fashioned Fourth of July" activities are scheduled.

Super-modified auto races have been added this year with \$6,000 in prize money being awarded to fastest qualifiers Saturday afternoon and to winners Sunday afternoon and to winners Sunday afternoon and to winners Sunday afternoon.

## Secretarial Seminar Set at SIU Campus

The secretary as an essential business partner is the theme of Southern Illinois University's fifth annual Secretarial Seminar scheduled to begin on the Carbondale campus Tuesday, July 13.

Five weekly sessions will be held from 7 to 9:30 p.m. in the ballrooms of the University Center, according to Seminar Chairman Chester Johnston, chairman of the business faculty at the Vocational-Technical Institute. The seminar is sponsored by University Extension Services and Adult Education VTL.

Designed for the working secretary, the seminar will help her to acquire the necessary skills to become more proficient in her secretarial responsibilities, according to Johnston.

## Preview ISU Housing Plans Are Changed

Because of unexpected air conditioning problems in residence halls on the west campus at Illinois State University, entering freshmen and their parents attending "Preview ISU" this summer will be housed in a different residence hall complex than originally announced.

Dr. Charles McBriarty, associate dean of student services, said the visitors were to have stayed in Haynie Hall but air conditioning problems there will make it unusable through most of the summer. Freshmen and their parents will stay in Waterloo Towers instead. Waterloo is a twin 28-story structure with facilities to accommodate 2,200 persons. It is the newest residence hall complex on the campus.

FIRST STUDENT DIRECTOR at SIU-SW to stage a campus play is Lance Stelzleni of St. Louis. He will present "Androcles and the Lion" July 20-24.

## 1st Student Director at SIU-SW to Stage Play

Lance Stelzleni is the first student at Southern Illinois University-Southwestern, to direct a campus play.

Not only is he directing "Androcles and the Lion," to be presented July 20-24 in the SIU-SW Communications Building theater, he designed its sets and costumes.

"I have been interested in the theater since I was a student at Central High School in St. Louis," Stelzleni says. "I like the technical end, especially scene design." After high school graduation in 1963, he entered Florissant Valley Junior College, where he was involved in theater productions. A year later he enrolled in the theater program at SIU, Carbondale, where he was cast in several campus plays.

In the summer of 1968 an opportunity to join the Old West Dinner Theater took him to Chattanooga. At the end of the

season, he came back to the home of his parents, Mr. and Mrs. Russell Stelzleni, in St. Louis, "because jobs were easier to find, and I needed work to stay in college." He enrolled at SIU-SW where he received his bachelor's degree in August 1969.

"It took me longer than the regulation four years to get my degree," he explains, "because I had a lot of different jobs and moved around a lot." Stelzleni has been a computer operator, grocery clerk and a salesman and has done some stocking (unloading trucks).

As a student worker at both SIU campuses, he constructed stage scenery. After receiving his degree, he was a social worker for the Illinois Department of Public Aid but quit to go back to school to work on a master's degree so he can teach at a junior college.

The workshop will be open to teachers, school administrators, college students and all interested persons. Registration will be from 9 to 11:30 a.m. July 5 in the upper lounge of Deane Center. The workshop will meet from 1 to 4:30 p.m. each day.

## Beck at U. of I. for Engineering Program

Thomas A. Beck, 3329 Palm St., is one of 21 high school students at the University of Illinois through July 10 for a special two-week program sponsored by the Junior Engineering Technical Society to acquaint them with engineering as a profession.

Purpose of the program is to acquaint the students with fields of engineering, demands upon practicing engineers and the type of effort involved in a college education. The program includes tours, lectures and opportunity for individual work and interests.

While on the campus they live in university residence halls. All will be high school seniors in the fall.

## Regional Report -- Riverfront and Industrial Development

(Illinois Metro-East Industrial Development Corporation) Redevelopment of the East St. Louis riverfront has moved several steps closer to reality. An application for \$400,000 in federal funds to study relocation of railroads from the riverfront was approved by the executive advisory committee of the East-West Gateway Coordinating Council.

Most of the money will be requested from the U. S. Department of Housing and Urban Development, with some from the U. S. Department of Transportation.

The funds may be made available by the federal agencies almost immediately. \$350,000 in local funds are required, and this will probably be supplied by the state of Illinois.

In a speech in East St. Louis, Gov. Ogilvie pledged the support of the state in the redevelopment project.

Federal legislation for the creation of a national park on the East St. Louis riverfront, an integral part of the redevelopment plans, is sponsored by

three Illinois Congressmen—Price, Gray and Shipley—plus five Missouri Congressmen, Sullivan, Symington, Clay, Hunsicker and Ichor, and U. S. Senator Percy of Illinois. Additional sponsors will be sought in the U. S. Senate.

Two of the current directors of Granite City Steel Co. would be elected to the board of directors of National Steel Corp. under terms of the proposed merger. They are Nicholas Veder, board chairman of Granite City Steel, and M. R. Chambers, board chairman of Interco, Inc. National Steel at present has ten directors.

One of the benefits of the merger, in the view of the companies, is the combining of Granite City's modern hot strip mill with National's new finishing facility in Chicago.

As hearings continued on alleged air pollution by Granite City Steel, the company announced its involvement in a five-company experiment designed to develop a new coke-pellet manufacturing process and thereby eliminate some gas and dust emissions.

The Bethalto board of education had a busy week. It purchased 40 acres of state property near Alton State Hospital at a cost of \$340 an acre.

The school board announced no immediate plans for the newly-acquired property. Over 700 acres of surplus hospital property had been sold in May to the city of Alton for a park.

The board also approved district participation in the Alton Area Vocational Education Center. Lastly, the board was asked that natural gas could not be provided to heat, proposed additions to three schools because of limited supplies of this fuel.

Chester Baker, president of Tri-City Printing Co. of Granite City and the first president of the Illinois Metro East Corporation, has been elected as chairman of the selection committee for the executive director of the Illinois Metro East Corp. The committee, composed of 13 members, has established general areas of responsibility.

These include the development of industrial contacts, working with industrial prospects, area unification, representation of Illinois Metro East Corp. at various functions and research into the opportunities available in the multi-county region.

Five Democrats were elected to the new board of trustees of the East Side Levee and Sanitary District. The election, held at the order of Gov. Ogilvie, produced a second board for the district; the incumbent board members had been ordered out of office, but the ouster was stayed pending appeal of conviction on misconduct charges.

The Illinois legislature has been considering several bills affecting this area. A bill that allows matching grants to port districts, such as the Tri-City Regional Port and the Southwest Regional Port, passed the Senate and was referred to the House.

The Senate Appropriations Committee approved a bill which authorizes \$67,000 for initial steps in acquiring more land at the Cahokia Mounds State Park. Bills establishing a convention and exposition center in this region were approved by the House Revenue Committee.

In general area news, the Granite City Army Depot is being considered as a possible

site of the headquarters of the Army Aviation Systems Command. Ruben Veltington resigned effective July 1 as editor of the Metro East Journal to become publisher of the Mascoutah Herald and New Baden News.

### Kiwanis Intl. Wins Annual Anvil Award

The Granite City Kiwanis Club which has been highly active in the Drug Alert Program under the chairmanship of Philip A. Theis was notified last week that the Silver Anvil award has been presented to Kiwanis International, according to Norman Hall, president of the local club.

The award was given the International organization for its Operation Drug Alert program during the 27th Annual Silver Anvil presentation by the Public Relations Society of America in New York City. The award is given annually in recognition of outstanding professional public relations achievement.

The Silver Anvil program was initiated in 1944 to stimulate and encourage improved public relations performance and to recognize programs that combine worthy public relations, objectives and philosophy with the highest standards of public relations execution.

Prior to 1971, Kiwanis International was honored by the Public Relations Society for its Citizen's Quotient program in 1961; the Golden Anniversary of Kiwanis International in 1965; and the annual Farm City Week observance in 1966.

Kiwanis was one of 23 organizations and companies to be honored in the 1971 national public relations competition. The Silver Anvil winners were selected by a 27-member panel of judges in public relations, public affairs and journalism.

### 344 Buildings Razed In City Since 1965

A total of 344 structures have been razed in Granite City since 1965, according to Orville Delmour, building inspector.

He said the figures show that the city has been eliminating some of the slum-type properties, and that he is making efforts to confer with owners of others.

The razing permits included 71 in 1965, 65 in 1966, 40 in 1967, 57 in 1968, 39 in 1969, 50 in 1970 and 22 to June 25 of this year.

## Rate of Food Price Climb Shows Decline

(Bureau of Labor Statistics)  
The Consumer Price Index rose 0.5% in May to 120.8 (1967 equals 100).

Higher prices for apparel, used cars, homes and postage accounted for half the increase. The May CPI was 4.4% above a year ago.

On a seasonally adjusted basis, the May rise was 0.6%. This compares with increases of 0.2% to 0.3% in each of the first four months of this year.

In the three months ending in May, the CPI rose at an annual rate of 4.2%. The three-month rate was 2.5% in March and in April.

The annual rate of change for the six months ending in May was 4.1%—higher than the 3.6% rate for the six months ending in April, but below the 6.5% rate in the six months ending in May of last year.

Food prices rose 0.2% in May after a seasonal adjustment, much less than in February, March and April. Prices of non-food commodities and services, however, increased more than in the preceding three months.

### Fruit, Vegetables, Beef

Prices of food purchased in grocery stores rose 0.2% in May, compared with increases of 1.1% in March and 0.9% in April. Increases in fruit and vegetable, and beef prices were smaller than in recent months and less than usual for May.

Pork prices declined more than seasonally. Chicken and egg prices also declined but much less than they usually do in May.

Prices of dairy products, and of restaurant meals and snacks

away from home, continued to advance.

Prices of commodities other than food, which usually show no change in May, rose 0.7%, considerably more than in the first four months of this year. Higher prices for apparel, which posted their largest seasonally adjusted increase since August 1966, homes and used cars were responsible for about three-fourths of the rise in non-food commodities. Prices of new cars and gasoline increased, instead of declining as they usually do in May.

Postal Rate Hike  
Charges for consumer services rose 0.6%, the largest rise since January of this year when a similar increase was recorded. A fourth of the May rise in services resulted from higher postal rates. The index for local transit fares showed no increase.

Mortgage interest rates continued to decline but much less than in the preceding three months. Property taxes, and charges for washing machine repairs, drycleaning services, shoe repairs and movie admissions, rose more than in recent months.

Approximately 43,000 workers will receive cost-of-living escalator adjustments based on the May U. S. city average Consumer Price Index or one of the individual city indexes.

About 23,000 workers will receive wage increases based on the national index. About 9,800 workers will receive an increase of three cents per hour.

About 4,500 employees of the Caterpillar Tractor Co. in Joliet, Ill., plus 4,000 other workers, will receive raises of four cents an hour.

## E. E. Estkowski Heads Safety-Health Region

Edward E. Estkowski, former chairman of the Wisconsin Department of Industry, Labor and Human Relations, has been named Regional Administrator of the U. S. Department of Labor's new Occupational Safety and Health Administration.

The appointment was announced in Washington by Assistant Secretary of Labor for Occupational Safety and Health George C. Guenther.

The Occupational Safety and Health Administration administers the Williams-Steiger Occupational Safety and Health Act, which went into effect April 28. The Act covers more than 57 million workers in some 4.1 million workplaces throughout the nation.

Estkowski will head enforcement activities in six states: Illinois, Indiana, Michigan, Minnesota, Ohio and Wisconsin.

In addition to its Regional Office in Chicago, the Administration will have Area Offices in Chicago, Cleveland, Columbus, Indiana, Milwaukee and Minneapolis.

Estkowski, 49, is a native of Milwaukee. He attended Marquette University, the University of Wisconsin, and the University of Wisconsin Law School. He has been a workmen's compensation accident investigator and personal injury claims adjuster for insurance companies, and practiced law in Milwaukee for 11 years.

DR. DON D. POLLEY, Doctor of Veterinary Medicine who has joined the staff of Bellemore Animal Hospital, 2117 Johnson Road. He and his wife have lived in Columbia, Mo., for the past eight years and are native St. Louisans. Mrs. Polley, a registered nurse, is employed at St. Elizabeth Hospital.

### Inactivated Granite City Army Depot Site for Future Military or Civilian Use

Continuing use of the Granite City Army Depot beyond yesterday's inactivation date, announced in March 1970, is an encouraging sign. The local military base is serving as a residence and service center for armed forces personnel assigned to this metropolitan region for duty or training. Effective today, it is under the supervision of the Army Aviation Systems Command, based in St. Louis.

There is speculation that the Aviation Systems headquarters may move here over a period of several years. Whether the Army will submit a formal request to Congress for such a move is unknown, but it is a fact that the Command has been expanding at a rate that may make it impossible for it to be housed entirely in its present building.

There is sentiment within "Avescom" to maintain a concentration of its key personnel rather than scattering them over several locations.

Certainly, the 29-year-old Army Depot has a choice location on the eastern edge of the Chain of Rocks Canal and harbor area. The base has been developed to a point where it offers an enclosed building, temperature and humidity control and with other advantages of modern, quality engineering and construction.

The Depot would be an outstanding site for a federal use like that being discussed. Or, if this does not materialize, it could provide a fine complex for one or more industries.

If the state requires this community to establish a junior college, the Granite City Depot facilities perhaps could be considered for conversion to such classes.

### This State the 35th to Ratify Voting at 18; Most Youths Favor Democratic Party

The identity of the 1972 Democratic presidential nominee is taking on added importance as the voting at age 18 U. S. Constitutional amendment moves toward ratification by three-fourths (38) of the states.

Illinois became the 35th ratifying state on Tuesday. Whether three more will ratify by next year is unknown, but the first 35 acted expeditiously.

First reports on registration of first-time voters, especially those between 18 and 21, show a big advantage for the party of Jefferson and Jackson.

Spot checks last week of current registrations disclosed a 58,986-29,212 Democratic edge over the GOP among Pennsylvanians aged 18-21, including 16,564-6,215 in Philadelphia and 15,341-5,073 in Allegheny County (Pittsburgh).

Of 9,378 first-time registrants in Oregon,

5,533 are Democrats, 2,548 Republicans and 1,277 independent.

The implications are clear and should be of more than passing concern to national Republicans leaders despite the slippage by both parties in terms of the population percentage listing allegiance to them.

Independent political philosophy may be gaining much headway. But, at least among young voters and prospective voters, Democrats still enjoy a substantial majority.

### Illinois 'First With the Most' on Airport; Also Making Progress on Highways, Transit

Despite Lt. Gov. Paul Simon's sound position that the state should "pay as it goes" and avoid bond debt wherever possible, the \$900 million program approved Monday by the Illinois General Assembly is likely to win many friends for our state government.

Inaction by government at its various levels is one of the chief frustrations of modern times. Illinois at least will be able to make tangible progress in airport development (\$100 million in bonds), improvement of mass transit systems (\$200 million) and construction of freeways (\$600 million).

The highway plan deals with many Southern Illinois needs, including additional Grand River Road funds and financing of a four-lane freeway from the East St. Louis area to Carbondale, generally along the path of Illinois Route Three.

The transit phase provides funds for the Bi-State Transit System and also for progress toward a rapid transit system in this metropolitan area.

With the airport portion of the bond revenue spread over four years, the initial \$25 million included in the \$15 million package near Columbia-Waterloo, Ill., for the establishment of a metropolitan airport eventually worth \$350 million.

Illinois consistently has been more generous than Missouri state legislators in aiding Bi-State Transit. Now, although some Missourians are still trying to switch the new airport to their side of the Mississippi River, it is the Illinois General Assembly which is coming up with a decisive cash sum of \$15 million.

Missouri did finance a hastily-arranged "objective" survey and secured a six-month Federal Aviation Administration delay in order to complete the study and its rather obvious sales pitch for one or more Missouri sites for the 1980-and-beyond airport. But the six months will end this summer and Illinois will be in a position to state forward on the vital project, in sharp contrast to the state to the west.

### City of Granite City Pledges Cooperation On Sanitary Sewers, Secondary Treatment

Granite City municipal officials took a constructive step Monday in authorizing the forwarding of a letter signifying their cooperation with a four-township plan for sanitary sewers and secondary sewage treatment.

While the action does not irrevocably commit the city to a program in which many important details have not yet been worked out, it is an indication to regional planners that Granite City is not taking a wholly selfish attitude. The city is concerned with the problems of the area surrounding it, as long as there is a fair and appropriate cost distribution.

Under one proposal, Granite City could meet its secondary water pollution treatment obligations at virtually no cost by building a treatment plant with state and federal financial help and then recovering its local share of the cost through payments by townships wishing to connect sanitary lines to the system.

This kind of arrangement ought not to be passed up, and the City Council indicated this week that its attitude is one of cooperation.

Freedom is fragile; handle it with prayer.

### Joint Tenancy Not Always Simplest Solution to Inheritance Problems

(Ill-City and Illinois Bar Associations)

Upon death occurs automatically, without any legal proceeding or action by the surviving estate or by the survivors.

This differs from tenancy in common. The latter, like joint tenancy, creates mutual rights in the property. However, on the death of one tenant in common, his interest passes to his heirs or to his beneficiaries under his will and not to his co-tenants.

Many people think joint tenancy eliminates the necessity of a will and offers a simple solution to estate problems.

Because this is not always true, great care should be exercised before creating a joint tenancy.

If you are considering the creation of a joint tenancy, you should consult your attorney. He will point out in detail the following advantages and disadvantages of joint ownership.

A possible advantage of joint tenancy is that it saves probate costs in your lawyer will in joint tenancy is the only property which otherwise could not be subject to the jurisdiction of the probate court.

If a man and wife owned a home, automobile and bank account in joint tenancy and this constituted their entire estate, there would be no estate to probate.

However, one disadvantage of the arrangement is that it may create an unfavorable tax situation in which surviving joint tenants are subjected to additional death or gift taxes. Also, a person who places property in joint tenancy loses the benefits of sole ownership and control.

In addition to the basic advantages and disadvantages of joint tenancy, your lawyer will be able to advise you about the best arrangement for your particular financial situation.

This way, you will be able to choose the ownership method best suited to your objectives.

A pamphlet, "Joint Tenancy," which further explains this method of ownership, is available from the ISBA.

A copy of the pamphlet may be obtained by sending a self-addressed, business size envelope to: Illinois State Bar Association, Illinois Bar Center, Springfield, Ill. 62701.

### Book Reviews—Badly-Needed Hilarity Is Served Up by P. G. Wodehouse

THE GIRL IN BLUE. By P. G. Wodehouse. Simon and Schuster, New York. \$5.95.

This latest epic by P. G. Wodehouse is "typical Wodehouse," and can anything be more typical of Wodehouse than another Wodehouse? Wodehouse was fond of saying: "A Wodehouse character is a Wodehouse character." And, although in roughly 70 novels these marvelous characters have different names, the names carry a resemblance as do the characters.

Title for the book and motif of the story revolve about Gainsborough's "Girl in Blue," a miniature in oil that has presumably been stolen—but a passerby the reader knows is safely tucked away in the drawer of an English secretary.

Here the eccentricities of Americans and Englishmen are frequently at odds.

Long a hallmark of books by Wodehouse has been his ability to entwine the characters so that they all work to cross purposes.

Although the reader is able to see what is happening, the whole becomes more hilarious, page after page, as the plot thickens and the characters interact. This hilarity is something we need today in an ever-increasinging amount.

In Wodehouse novels, the reader is always assured that young love will out. Herewith is a case in point.

"She hailed a passing taxi and was gone, and as she stood there looking after it, a passerby might have observed a soft glow in his eyes, if passerby do observe soft glows in people's eyes."

"Probably they do not, but it was there, like was trying to spoof the Germans?"

He was defended handsomely by George Orwell in "In Defense of Wodehouse," written immediately after World War II.

G. Wodehouse was born in 1881. In literary terms, he was born one year before Zola's "Nana" and Longfellow's "Ultima Thule."

Upon leaving school, he tried his hand at several jobs, and ultimately turned to writing.

This latest volume is true Wodehouse, even down to the red jacket. On the back cover appears the usual picture of the author.

In P. G. Wodehouse is a story of time through the woods of his long Island home, accompanied by a companion dog, but the only one facing the camera is the dog.

## July Brings a Birthday-Nation's Declaration of Its Independence

Today being the first of July, we'll take a brief look at this month's 31 days and recall some of the significant events of the past.

July 1 saw the Battle of Gettysburg begin in 1863, the first U. S. postage stamps issued in 1847 and the confederation of Upper and Lower Canada and some of the maritime provinces occur in 1867, making the occasion Dominion Day. In Yugoslavia, the Split Summer Festival of July 1-Aug. 15 begins with dances in the Emperor Diocletian's Fourth Century palace.

The first elevated railroad in New York City opened on a July 1848 and on this date in 1881 President James A. Garfield was shot in a Washington, railroad station.

July 3 is noteworthy as the day in 1880 when Idaho became the 43rd state.

July 4 is the day of July 4 is synonymous with Independence Day, the occasion in 1776 when the Continental Congress adopted the Declaration of Independence from Great Britain. It is one of America's chief holidays every year.

It also is Independence Day in the Philippines, which declared itself a republic public on July 4, 1946. Calvin Coolidge, 30th U. S. President, was born on July 4, 1872.

Optimist International, which has been headed by a Granite City, Gene H. Stenberg, was founded on a July 5. The day is Independence Day in Venezuela, and the birthday in 1803 of David G. Farragut, first admiral in the U. S. Navy.

John Paul Jones, born on July 6, 1747, is remembered as "the first 'talking' motion picture" on July 6, 1928.

The United States annexed Hawaii on July 7, 1898, and this day is Tanabata, or Japanese Festival, when children erect bamboo trees on which their poems are placed.

The Liberty Bell cracked on July 8, 1846, while tolling for U. S. Supreme Court Chief Justice John Marshall.

July 8, Zachary Taylor died in the White House on July 9, 1850.

July 10 is Statehood Day in Wyoming, the 44th state joined in 1890, only seven days after Idaho.

July 11, 1955, the U. S. Air Force Academy was dedicated at Lowry Air Base in Colorado. John Quincy Adams, 6th President, was born on this day in 1767.

July 12 is celebrated in North Carolina as Orangeman's Day, a Protestant Irish celebration approving the union with England. On July 12, 1933, a new Federal code set a minimum wage of 40 cents an hour. And July 12 is the birthday of Henry Thoreau.

July 13 is the birthday of John F. Kennedy, who celebrated his birthday on July 13; he was born in 1917 in Tennesssee. In France, the Night Watch or La Retraite Aux Flambeaux is held to celebrate the eve of the fall of the Bastille.

July 14, Bastille Day or Fete National, dates back to the capture of the Bastille during the French revolution in 1789. It is Republic Day in Iraq. On July 14, 1860, soon-to-be President John F. Kennedy, to win Southern votes, persuaded Lyndon B. Johnson to accept the Democratic vice-presidential nomination.

Competition closed on July 15, 1970, for the design of the U. S. Capitol and President's House.

July 15 also is St. Swinith's Day, according to an Old English belief, if it rains on this day there will be rain for 40 days.

July 16 is the birthday of Rolf Amundsen, famed explorer. The U. S. exploded the first atomic bomb in New Mexico on July 16, 1945. And La Paz Day marks the founding in 1545 of that city, now the capital of Bolivia.

Munich, Germany, was born July 18, 1879. Puerto Ricans celebrate in honor of their patriot Jose Celso Barbosa, who died on July 18, 1903.

July 19 is the birthday of Jane Austen. On this day in 1948, six-star General of the Army John Pershing lay in state in the Capitol Rotunda. The deceased military leader had commanded the American Expeditionary Force in World War I.

The first Women's Rights Convention took place in the U. S. on a July 19, which is the Day of Santa Librada in Panama. Members of Congress resolved on July 19, 1776, to sign a parchment text of the Declaration of Independence.

July 20 will always be remembered as the day, 1969, when Astronaut Neil Armstrong of the United States became the first man to step on the surface of the moon. Columbia gained independence from Spain July 20, 1810.

Belgian Independence is traced to July 21, 1831, and is known as Dag der Nationale Onafhankelijkheid (take our word for the spelling). Belgium gained its independence from the Netherlands, with Leopold I becoming the first king.

Also, Gaum was ceded to the U. S. by Spain on July 21, 1898, and U. S. forces returned to Guam in 1904 on this day, known as Liberation Day. The first major battle of the American Civil War—the War Between the States, as they refer to it in the South—was recorded on July 21, 1861, near Manassas, Va.

Congress drafted a plan by President Franklin D. Roosevelt to enlarge the Supreme Court on July 23, 1937.

July 23 is National Day in the United Arab Republic; the Egyptian revolution took place on this day in 1952. Chippewa Day is observed on July 23, and President Ulysses S. Grant died on this day in 1885.

What is significant about July 24? It is Mormon Pioneer Day; the Young Men of the Mormon arrived at the Great Salt Lake Valley in Utah in 1847. It is also the birthday of Simon Bolivar was born July 24, 1783, prompting appropriate observances in Venezuela and other Latin American countries.

And this July 24 will be the 84th anniversary of publication of the first textbook, by Dr. Zamenhof, on the proposed international language, Esperanto. We don't know whether you have ever heard of Esperanto, but there still is an active Esperanto League for North America, Inc., in Meadville, Pa.

S. Grant became the first officer promoted to five-star rank, General of the Army, on July 19, 1866. The day is Constitution Day in Puerto Rico (1892) and Supplication Day in the Virgin Islands, marking the beginning of the hurricane season. The Virgin Islands population attended church to pray for protection from hurricanes, the last one of which struck in 1832.

Baron Henry de Rothemann was born on this day also noted for formation of the U. S. Department of Defense in 1947, acceptance of New York as the 11th state in 1788 and establishment of the Republic of Liberia in 1847.

A Puerto Rican physician and patriot, Jose Celso Barbosa, was born on July 27, 1867, providing the occasion for a holiday. Signing of an armistice at Panmunjom July 27, 1953, ended the Korean War.

An anniversary of the 14th Amendment to the U. S. Constitution is July 28. The 18th Constitutional Amendment was ratified on July 28, 1919, and the 19th was ratified on July 28, 1921.

The initial transcontinental telephone line was opened on July 28, 1914. St. Olav's Day is observed in Norway on this day, a king, Norway's patron saint, who was killed in the Battle of Stiklestad in 1030 A.D.

Also, July 29 has been designated as Rain Day since the 18th century. It has rain; it is Wayneburg, Pa., on this date for 70 of the last 90 years.

The first representative body in America convened, at Jamestown, Va., July 30, 1619. The Waves (Women Accepted for Volunteer Emergency Service) were organized by the Navy on July 30, 1942.

Commemorative ceremonies were held July 31, 1906, for the old Senate Office Building in Washington, D.C.

### Environmental Parade, Displays At Wilson Park Set for July 24

To the Editor:

Like the weather, everyone talks about environmental control, pollution and the like. But nobody, seemingly, does anything about it.

Granite City is about to have a big celebration commemorating 75 years of existence. There is planned, however, prior to that time a one-day activity to, perhaps, look forward to the next 75 years.

The theme this year for the Boy Scouts of America is "Save Our American Resources." This may be one of the few times that industry, business and the general public can get together in an effort toward common understanding.

In an address to a local civic group recently, a young scout leader stated, "This is not a protest march, but an effort to educate both the public and industry."

"From education, we may all gain some tolerance and perhaps find a solution to the problem that affects us all."

In an effort to do something to educate, a parade has been planned for July 24, 1971, commencing at the Civic Park downtown and terminating at the Recreation Center in Wilson Park.

Like the Pied Piper, the parade is to attract the public to Wilson Park, where both will be set up by industry, business, scouts and various civic groups.

The success or failure of both the parade and the booths depends on each of us and on local industry.

If we all sit back and do nothing, we each deserve what we get, whether it be a legal action against industry or a speck of flyash in our eyes.

### THOUGHTS ON RESPECT FOR AMERICAN FLAG

To the Editor:

The following article, taken from the May 1971 issue of "Better Homes and Gardens" magazine, gave my husband and me a new sense of patriotism and respect for our country's flag.

We agree with the article and feel that those who read it will feel the same.

MRS. JAMES ARNOLD  
2914 Marshall Ave.  
Granite City, Ill.

Text of the magazine statement follows:

"When I received my bank statement in the mail last week, I noticed that an American flag decal was included in the envelope.

"An attached note explained it was a gift, given in the hope I'd put it on my car window. At first I was pleased.

"Later, I began wondering if it was really the great idea it seemed to be at first.

"Showing off the colors on special occasions is something our family has always enjoyed."

"Yet, having the Stars and Stripes constantly displayed on my car seemed somehow out of step with our family's attitude toward the flag.

"And what about the people who didn't have a flag? Might I risk implying, however unintentionally, that they were somehow less patriotic than I? Might I be deciding against the decal, feeling it was more a sign of current political ferment than an expression of genuine patriotism?

"Then, too, it seemed old Glory deserved something better than being stuck in the same class with billboards and bumper stickers, many of them bearing vaguely ominous messages like 'America, love it or leave it.'

"Used like this—or as a shirt on a bearded youth—the flag becomes a political football rather than a symbol.

"My family agreed. To us, pride in our country can be synthesized into a decal.

"Patriotism, like all ideals, must be something we feel within ourselves."

### 50 Years Ago \$17,523 Theft from Delivery Wagon

JULY 1, 1921

Three men have been arrested for stealing \$17,523 from a safe in an American Express Co. delivery wagon. The loot has not been recovered.

Arthur Romani, local phone life agent, is home from a convention of the company at Hartford, Conn. and from sight-seeing in New York and Washington, D. C.

### 25 Years Ago Electric Scissors Demonstrated

JULY 1, 1896

The Nightingale 4th Club met with Gene, Janelle and Neva Bischoff. Ten members and the leader, Mrs. Nagel, were present. Demonstrations were given on "Electric Scissors" by Mary Grace Kelahan and Gene Bischoff. There also were talks on "Care of Hands, Nails and Shoes," given by Lorenz Sudholt and Gloria Adamson.

Mr. and Mrs. Jimmie Lybarger and daughter, 1707 Second St., Madison, were in Mountain Home, Ark., for a visit.

## Snows Shrine Players To Present Two Plays

The Shrine Players will present performances of "Island May's" "Adaptation" and "Pleasant's" "People" in the amphitheatre of the Shrine of Our Lady of the Snows at 8 p.m. on July 14, 15 and 16. Admission is \$1 per person.

Organized by Rev. Allen Maes, D.M., a member of the Shrine of Our Lady of the Snows, the Shrine Players are a talented amateur group of about 30 performers drawn from high schools and colleges in the surrounding area.

Other programs to be presented by the Shrine of Our Lady of the Snows include: "Pleasant's" "People", a children's play, by Habel at 2 p.m. July 25 in the Visitors Center; Schmidt and Jones' "Celebration" at the Amusement Garden Bell Pool at 8 p.m. Aug. 6, 8 and 9, and the musical, "Good News" in the amphitheatre at 8 p.m. Aug. 26, 27 and 30.

Father Maes said he is hoping to present a full schedule of plays and musicals at the Shrine next summer running from June through September. A new production would be presented every two weeks and there would be three or four performances of each play or musical.

## Named to Dean's List

Miss Mary L. Wolfe, daughter of Mr. and Mrs. George Wolfe, 2011 Ames Ave., has been named to the dean's scholarship list at Central Methodist College, Fayette, Mo., for the spring semester.

## Emerson Girl Awarded \$100 by Lamplighters

Patricia Ann Emerson, daughter of Rev. and Mrs. Ben Bankhead, 1129 Market St., Venice, has been awarded a \$100 scholarship by the Lamplighters Civic Organization at its last meeting at the home of Mrs. Barbara Madison, 311 Merodisa St., Madison.

The scholarship is awarded to a girl with scholastic qualities in need of financial assistance. The recipient is a graduate of Madison High School. Miss Emerson plans to attend Knox College in Galesburg.

Attending the meeting were Mrs. Ira Wilson, president; Mrs. Alice Jackson, vice-president; Mrs. Ernestine Baker, secretary; Mrs. Joan Silas, financial secretary; and Mrs. Madison, treasurer.

## French Horn Recital Set Tonight at SIU-SW

Jim Betts of Collinsville will give his junior French horn recital at Southern Illinois University-Southwestern at 8:15 p.m. today in Loveloy Library auditorium. The public is invited, admission-free.

Several other music majors at SIU-SW will assist, and Jane Benley, Granite City, will be the piano accompanist.

Betts will open his recital by playing "Scherzino" by Hajdu. He will also play "Sonata" by Heiden.

"Sonata for Four Horns" by Hindemith will be performed by Gary Banks, Alton; Gary Ridgeway, Collinsville; Bob Scheinert, Ferguson, Mo.; and Byron Walter, Edwardsville. Walter will also play Saint-Saens' "Romance."

Ronald Stoops of Caseyville will play "Third Horn Concerto" by Mozart.

The program will also include two numbers played by a brass quintet: "Quintet in B-flat" by Sanders and "Impression of a Parade" by Baron.

Members of the quintet are Ken Heim of Ferguson, Mo.; trumpet; Sharon Barham, Madison, trumpet; Betts, French horn; Curtis Hooker, Belleville, trombone; and Dave Unland, Overland, Mo., tuba.

## SIU Prof Writes Book On Urban Street Gangs

The story of conflict rising out of the federal and private financing of urban street gangs unfolds in the new book by Richard W. Poston, "The Gang and the Establishment," just published by Harper and Row.

Poston, research professor at Southern Illinois University at Carbondale, documents what happened when large sums of money were given to a group of gang leaders on New York's Lower East Side, a social jungle. The book relates the events that turned what was hoped to be a positive development into what was called a bing of waste and destruction.

The author reveals his deep concern for the hundreds of thousands of street youths and their desperate need for help, but he calls for realism, not romanticism, in the task of delivering help in a manner that would make it effective.

## Lewis Expresses Faith In Youth at Boys' State

When anyone expresses faith in today's American youth, and I have faith in American youth," Secretary of State John W. Lewis said here today.

Lewis addressed the 1,000 members of Premier Boys State, the citizenship training program sponsored by the American Legion, which was in session at the State Fairgrounds.

Responsibility comes to young people earlier now, but today's youth are better prepared for it because they are better informed through improved communications, he said. Lewis urged the group to compile good records in all areas, but specifically mentioned one related to the Secretary of State's office—driver licensing.

## \$5,000 Workshop Fund Obtained by Eastern

Eastern Illinois University has received a grant of \$5,000 from the State Office of Public Instruction to support a workshop for high school students interested in the field of special education.

The workshop, Project Review Special Education, will be held on Eastern's campus July 18-23 with Dr. Charles Joley, coordinator of field services in the Center of Educational Studies, as director. He will be assisted by Mrs. Marcia Clair.

The project is designed to give 50 high school students, selected by Office of the State Superintendent of Public Instruction, an opportunity to become acquainted with careers in special education, such as working with mentally, emotionally and physically handicapped children.

The workshop will observe classes for college students majoring in special education and work being done with children in special education programs. It is the second consecutive year that Eastern has been selected by the state office to conduct a workshop of this nature.

## Pianist Van Cliburn to Open Festival Series With the Help of a Few Friends--Clowns, Animals and Acrobats

Pianist Van Cliburn and the St. Louis Symphony Orchestra, conducted by music director Walter Susskind, will open the 1971 Mississippi River Festival concerts at 8:30 p.m. Saturday, July 10, under the new Festival tent on the Southwestern campus of Southern Illinois University.

The concert will follow an opening night party scheduled for 6:30 p.m. at the Festival site.

A circus theme—"complete with clowns, animals, acrobats, cotton candy, and popcorn"—will prevail. The dinner menu will include Big Top Fillet of Chicken Breast and other specialty-concocted circus delights.

Tickets to the opening night party are \$6 per person and may be purchased by mailing a check payable to Mississippi River Festival and a self-addressed envelope to the Festival office, 718 North Grand Blvd., St. Louis, Mo. 63101.

Orders must be in the mail by July 2. After that date, tickets may be purchased in person at the Powell Symphony Hall box office, 718 North Grand, St. Louis, or at the University Center box office on the

### SIU-SW campus.

Concert tickets, ranging in price from \$2 to \$3.50, may be purchased at these box offices or at the American National Bank, Granite City; Halpin Music Co., Alton; Chamber of Commerce, Collinsville; and the University Center at SIU-Carbondale.

The six Saturday night Festival programs will feature concerts by the St. Louis Symphony Orchestra, the first of four to be conducted by Walter Susskind, music director of the

### Festival and conductor and music director of the orchestra.

In addition to Van Cliburn, other artists to be featured at Saturday concerts are guitarist Angel Romero, July 17; soprano Marilyn Horne, July 24; conductor Morton Gould, Aug. 7; and Leonard Slatkin, assistant conductor of the orchestra and pianist Leonard Pennario, Aug. 14.

Special tribute will be paid to two great conductors who died during the past year, Sir John Barbirolli and George Szell, on July 24 when their music will be featured by the orchestra under the baton of Maestro Susskind.

The six Sunday evening Pop Concerts will feature the St. Louis Symphony with eight guests: Pianist Jeffrey Siegel, July 11; conductor Henry Mancini, July 18; trumpeter Doc Severinsen, July 25; conductor Morton Gould, Aug. 1.

Boston Pops conductor Arthur Fiedler and pianist Ruth Slenczynska, Aug. 8; and the orchestra's concertmaster, Max Rabinovitch as soloist, Aug. 15.

Twelve folk-pop-rock events are scheduled during the six-week Festival. They are: Jose Greco and Company, July 13; Judy Collins, July 15; Buddy Miles, July 20; John Hartford and Earl Scruggs, July 27.

A rock and roll revival featuring Chuck Berry, The Coasters, Bo Diddley, The Shirelles, The Dells and Gary U. S. Bonds, July 29; Ike and Tina Turner, July 30; Ferrante and Teicher, Aug. 2; Rod Stewart and Faces, with Southern Comfort, Aug. 4.

"Jesus Christ Superstar," Aug. 5; Roberta Flack and Albert King, Aug. 16; Carlos Montoya, Aug. 12; and The Who, Aug. 16.

Coupon books containing \$25 worth of coupons may be purchased for \$20 until July 16. Coupons may be redeemed at all Festival box offices for reserved or lawn seating to any Festival event.

Season tickets also may be purchased through July 16 to either six or 12 Symphony concerts, representing 20% savings over single ticket prices.

### Shop Window Broken, Four Youths Arrested

Four youths, including three 16-year-old juveniles, were charged with disorderly conduct at 11:30 p.m. Monday after a rock broke a plate glass window at Joseph's School of Beauty, 2100 Delmar Ave. They agreed to make restitution and were released on notice to appear.

The non-jvenile was Steve Griebel, 17, of 4783 Warnock Ave. It was reported to police that a carload of boys had driven up and down the street at the shop and a shoe was thrown at the window, but when it failed to do any damage, the boys returned with a rock. They were stopped at 20th Street and Madison Avenue.

Cash Register Removed The cash register from the cafe of the Henry Mitchell American Legion Post 799, 1043 Douglas St., Venice, was taken from the building and was found near the back door Monday. Change was left in the register but \$9 in bills were taken.

## Howlett Urges Ultimate Federalization of Aid

No matter what welfare reform is voted in Congress this year, the ultimate objective should be complete federalization of public assistance, Michael J. Howlett, state Auditor of Public Accounts, said Wednesday.

Howlett was the featured speaker at a Business & Industry Day luncheon, sponsored by the Lawrenceville Chamber of Commerce.

He said the U. S. House of Representatives vote on June 22 to establish a uniform national minimum support level for public aid families with children is a "step in the right direction" but doesn't go far enough. "We should keep trying in the next Congress, and the next and the next, until the federal government takes over complete responsibility for public aid," said Howlett.

Would Free Half Billion "Complete" federalization would set free a half billion dollars in Illinois state government revenues for other uses.

"The program just voted by the House may not be debated in the Senate for months. If it eventually becomes law, it will be a good beginning toward complete federalization."

"It would guarantee a nationwide annual income of \$2,400, paid by the federal government, for dependent families of four."

It would mean little to Illinois public aid families, because we already help them with much more than \$2,400. But it would shift some of the cost burden from the state to the federal government.

"The current Illinois standard for a needy family of four is about \$3,200 a year, of which the federal government pays \$1,400 and the state pays \$1,700."

"Under the new proposal, the federal government would pay \$2,400 and the state \$800."

"The U. S. Department of Health, Education and Welfare estimates the financial burden for the state of Illinois would be lightened by \$2 million."

Case Load Rising "However, nobody can predict the Illinois state public aid bill will diminish. The case load is steadily rising, and will rise further."

"Even the new House of Representatives plan would contribute to rising case loads. It will make people eligible for public aid who are not eligible now."

"Under existing rules, a family in Illinois cannot obtain public assistance if the father is employed and living with his family. Under the new proposal, the family would qualify if the father wasn't making enough money to meet the minimum support level."

Howlett said any state money set free by increased federal help for public assistance would be needed badly for education.

"Our educational system needs money, at both local and state levels," said Howlett. "At the local level it is the biggest levy on the property taxpayer."

Brakes Fail, Collides The auto of Francis Brunch, 1437 Grand Ave., collided with the rear of the stopped auto of Juanita Stander, St. Louis, on Madison Avenue at 12th Street at 1:50 p.m. Monday. Mrs. Brunch told police the brakes on her car failed as she attempted to stop behind the Stander auto.

### Accident in Alley

The rear bumper of the auto of Edith M. Russell, 2258 Lee Ave., was struck by a car driven by Patricia A. Bucks, 2805 E. 25th St., at 12:15 Monday in the 19th Street alley between State Street and Edison Avenue. Monday.

### Attempted Burglary

Someone pried on the front door lock at Schermer's Men's & Boys' Store, 1910 Delmar Ave., in an attempted burglary during the night, but there was no entry. It was reported Monday.
